Item 1.01 Entry into a Material Definitive Agreement.

Indenture and 1.57% First Priority Senior Secured Notes due 2026

On December 22, 2020, Berry Global Group, Inc. (“Berry”), via its wholly owned subsidiary, Berry Global, Inc. (“BGI”), issued \$750,000,000 aggregate principal amount of BGI’s 1.57% First Priority Senior Secured Notes due 2026 (the “First Priority Notes”), pursuant to an Indenture, dated as of December 22, 2020, among BGI, Berry and certain of Berry’s subsidiaries party thereto as guarantors, and U.S. Bank National Association, as trustee and collateral agent (the “Indenture”).

The First Priority Notes are senior obligations of BGI and have the benefit of the first priority security interest in the collateral described below. The First Priority Notes bear interest at a rate of 1.57%, payable semiannually, in cash in arrears, on January 15 and July 15 of each year, commencing on July 15, 2021, to holders of record at the close of business on January 1 or July 1, as the case may be, immediately preceding the interest payment date. The First Priority Notes will mature on January 15, 2026.

Prior to December 15, 2025 (the “Par Call Date”), BGI may redeem the First Priority Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days’ prior notice mailed by first-class mail or sent electronically to each holder’s registered address, at a redemption price equal to the greater of (i) 100% of the principal amount of the First Priority Notes redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the notes being redeemed (assuming that such First Priority Notes matured on the Par Call Date), exclusive of interest accrued to, but not including, the redemption date, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at a rate equal to the sum of the applicable treasury rate plus 20 basis points. On or after the Par Call Date, the First Priority Notes will be redeemable, in whole or in part, at BGI’s option, at any time or from time to time, on at least 15 days’ but not more than 60 days’ prior notice to the holders of the First Priority Notes to be redeemed, at a redemption price equal to 100% of the principal amount thereof.

Any redemption or notice described above may, at BGI’s discretion, be subject to one or more conditions precedent.

The First Priority Notes are fully and unconditionally guaranteed, jointly and severally, on a first priority senior secured basis, by each of BGI’s existing and future direct or indirect subsidiaries that guarantees its senior secured credit facilities and its existing first and second priority senior secured notes, and by Berry on an unsecured basis. Under certain circumstances, subsidiaries may be released from these guarantees without the consent of the holders of the First Priority Notes.

The First Priority Notes and the guarantees thereof are unsubordinated obligations of BGI and the guarantors, are equal in right of payment to all of BGI’s and such guarantors’ existing and future unsubordinated indebtedness and structurally subordinated to all the liabilities of BGI’s subsidiaries that are not or do not become subsidiary guarantors, are secured by a second priority lien on accounts receivable, inventory and certain related assets that secure BGI’s revolving credit facility and a first priority security interest in substantially all of the other assets of BGI and the existing and future domestic subsidiary guarantors that guarantee its obligations under its senior secured credit facilities (subject to certain specified exceptions and permitted liens), are contractually senior to the existing second priority secured notes in respect of the right to receive proceeds of the collateral, are effectively senior to all of BGI’s and the subsidiary guarantor’s existing and future indebtedness that is not secured by a lien on the collateral to the extent of the value of the collateral securing the First Priority Notes, equal in right of BGI’s existing first priority notes, and are effectively junior to the obligations under BGI’s revolving credit facility to the extent of the value of the collateral that secures such facility on a senior basis.

The Indenture contains a number of restrictive covenants, including those relating to the ability of BGI to:

- create or incur certain liens; and
- transfer all or substantially all of BGI’s assets or enter into merger or consolidation transactions.

Subject to certain limitations, in the event of the occurrence of both (1) a change of control of BGI and (2) a withdrawal or downgrade of the investment grade ratings of the First Priority Notes by two or more of Moody’s Investors Service, Inc., S&P Global Ratings, a division of S&P Global Inc., and Fitch Ratings, Inc. (collectively, the “Rating Agencies”) or a change of control of transaction is proposed and two or more Rating Agencies indicate that, if consummated, such transaction (alone or together with any related recapitalization or refinancing transactions) would cause the Rating Agency to withdraw its investment grade ratings or downgrade the ratings assigned to the First Priority Notes below investment grade, the Company will be required to make an offer to purchase the First Priority Notes at a price equal to 101% of the principal amount of the First Priority Notes, plus accrued and unpaid interest to, but not including, the date of repurchase.

Upon the occurrence of certain events of default specified in the Indenture, the principal of, premium, if any, and accrued but unpaid interest and any other monetary obligations on all the then outstanding First Priority Notes may become due and payable immediately. The foregoing description of the First Priority Notes and the Indenture governing First Priority Notes is qualified in its entirety by reference to the actual text of the Indenture governing the First Priority Notes (including the forms of First Priority Notes included therein), which is filed herewith as Exhibit 4.1 and is incorporated herein by reference.

Registration Rights Agreement

On December 22, 2020, BGI, Berry, certain of BGI's subsidiaries party thereto as guarantors, and Citigroup Global Markets Inc. and J.P. Morgan Securities LLC, as representatives of the initial purchasers of the First Priority Notes, entered into a registration rights agreement (the "Registration Rights Agreement") with respect to the First Priority Notes. Capitalized terms not defined in this section shall have the meanings specified in the Registration Rights Agreement.

Pursuant to the Registration Rights Agreement, BGI and the Guarantors will agree to use their commercially reasonable efforts to (x) within 270 days of December 22, 2020, file with the Commission and (y) within 365 days of December 22, 2020, cause to become effective a registration statement, on the appropriate form under the Securities Act, relating to an offer to exchange the First Priority Notes for registered notes with terms identical to the First Priority Notes (except that the First Priority Notes will not be subject to restrictions on transfer or to any increase in interest rate as described below) (the "Exchange Notes"). Following the effectiveness of the exchange offer registration statement, BGI and the Guarantors will offer to the holders who are able to make certain representations the opportunity to exchange their First Priority Notes for the Exchange Notes.

If, with respect to the First Priority Notes:

- (1) BGI and the Guarantors are not permitted to consummate the exchange offer because the exchange offer is not permitted by applicable law or Commission policy;
- (2) for any reason the exchange offer is not consummated within 30 days after the date notice of the exchange offer is required to be mailed to the holders; or
- (3) any holder notifies us prior to the 20th day following consummation of the exchange offer that:
 - (a) it is prohibited by law or Commission policy from participating in the exchange offer;
 - (b) it may not resell the Exchange Notes acquired by it in the exchange offer to the public without delivering a prospectus (other than by reason of such holder's status as our affiliate) and the prospectus contained in the exchange offer registration statement is not appropriate or available for such resales;
 - (c) it is a broker-dealer and owns the First Priority Notes acquired directly from us or our affiliate,

BGI and the Guarantors will be obligated, with respect to the First Priority Notes, to cause to be filed with the Commission a shelf registration statement (the "Shelf Registration Statement") to cover the resales of the First Priority Notes, by holders thereof who satisfy certain conditions relating to the provision of information in connection with the Shelf Registration Statement, within 270 days after such filing obligation arises.

BGI and the Guarantors will use their commercially reasonable efforts to cause such Shelf Registration Statement to be declared effective by the Commission as promptly as possible.

The Registration Rights Agreement provides that, if:

- (1) unless the exchange offer would not be permitted under applicable law or Commission policy, the exchange offer registration statement has not been declared effective by the Commission on or prior to 365 days after December 22, 2020;
- (2) if obligated to file the Shelf Registration Statement, the Shelf Registration Statement has not been declared effective by the Commission on or prior to 365 days after such filing obligation arises;
- (3) BGI and the Guarantors fail to consummate the exchange offer within 30 business days of the Effective Offer Effectiveness Target Date with respect to the exchange offer registration statement; or
- (4) the Shelf Registration Statement or the exchange offer registration statement is filed and declared effective but shall thereafter cease to be effective or fail to be usable, subject to certain exceptions, in connection with resales or exchanges of the First Priority Notes, respectively, during the period specified in the Registration Rights Agreement (each such event referred to in clauses (1) through (4) above, a "Registration Default"),

then BGI and the Guarantors will pay additional interest to each holder, with respect to the first 90-day period immediately following the occurrence of the first Registration Default, in an amount equal to 0.25% per annum of the principal amount of the First Priority Notes held by such holder, as applicable. The amount of the additional interest will increase by an additional 0.25% per annum of the principal amount of such First Priority Notes, with respect to each subsequent 90-day period until all Registration Defaults have been cured, up to a maximum amount additional interest for all Registration Defaults of 1.0% per annum of the principal amount of such First Priority Notes.

The foregoing description of the Registration Rights Agreement is qualified in its entirety by reference to the actual text of the Registration Rights Agreement, which is filed herewith as Exhibit 4.2 and is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation.

Such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee or the Issuer to protect the Issuer, the Trustee, a Paying Agent and the Registrar from any loss that any of them may suffer if a Security is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Security (including without limitation, attorneys' fees and disbursements in replacing such Security). In the event any such mutilated, lost, destroyed or wrongfully taken Security has become or is about to become due and payable, the Issuer in its discretion may pay such Security instead of issuing a new Security in replacement thereof.

Every replacement Security is an additional obligation of the Issuer.

The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Securities.

SECTION 2.09. Outstanding Securities. Securities outstanding at any time are all Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section as not outstanding. Subject to Section 13.06, a Security does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Security.

If a Security is replaced pursuant to Section 2.08 (other than a mutilated Security surrendered for replacement), it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Security is held by a protected purchaser. A mutilated Security ceases to be outstanding upon surrender of such Security and replacement thereof pursuant to Section 2.08.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Securities (or portions thereof) to be redeemed or maturing, as the case may be, and no Paying Agent is prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Securities (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10. Temporary Securities. In the event that Definitive Securities are to be issued under the terms of this Indenture, until such Definitive Securities are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of Definitive Securities but may have variations that the Issuer considers appropriate for temporary Securities. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Securities and make them available for delivery in exchange for temporary Securities upon surrender of such temporary Securities at the office or agency of the Issuer, without charge to the Holder. Until such exchange, temporary Securities shall be entitled to the same rights, benefits and privileges as Definitive Securities.

SECTION 2.11. Cancellation. The Issuer at any time may deliver Securities to the Trustee for cancellation. The Registrar and each Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Securities surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Securities in accordance with its customary procedures. The Issuer may not issue new Securities to replace Securities it has redeemed, paid or delivered to the Trustee for cancellation. The Trustee shall not authenticate Securities in place of canceled Securities other than pursuant to the terms of this Indenture.

SECTION 2.12. Defaulted Interest. If the Issuer defaults in a payment of interest on the Securities, the Issuer shall pay the defaulted interest then borne by the Securities (plus interest on such defaulted interest to the extent lawful) in any lawful manner. The Issuer may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuer shall fix or cause to be fixed any such special record date and payment date to the reasonable satisfaction of the Trustee and shall promptly mail or cause to be sent to each affected Holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.13. CUSIP Numbers, ISINs, etc. The Issuer in issuing the Securities may use CUSIP numbers, ISINs and “Common Code” numbers (if then generally in use) and, if so, the Trustee shall use CUSIP numbers, ISINs and “Common Code” numbers in notices of redemption as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers, either as printed on the Securities or as contained in any notice of a redemption that reliance may be placed only on the other identification numbers printed on the Securities and that any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall promptly advise the Trustee in writing of any change in the CUSIP numbers, ISINs and “Common Code” numbers.

SECTION 2.14. Calculation of Principal Amount of Securities. The aggregate principal amount of the Securities, at any date of determination, shall be the principal amount of the Securities outstanding at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Securities, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Securities, the Holders of which have so consented, by (b) the aggregate principal amount, as of such date of determination, of the Securities then outstanding, in each case, as determined in accordance with the preceding sentence, Section 2.09 and Section 13.06 of this Indenture. Any such calculation made pursuant to this Section 2.14 shall be made by the Issuer and delivered to the Trustee pursuant to an Officers’ Certificate.

ARTICLE 3

REDEMPTION

SECTION 3.01. Redemption. The Securities may be redeemed, in whole, or from time to time in part, subject to the conditions and at the redemption prices set forth in Paragraph 5 of the form of Securities set forth in Exhibit A and Exhibit B hereto, which are hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest to, but not including, the redemption date.

SECTION 3.02. Applicability of Article. Redemption of Securities at the election of the Issuer or otherwise, as permitted or required by any provision of this Indenture, shall be made in accordance with such provision and this Article.

SECTION 3.03. Notices to Trustee. If the Issuer elects to redeem Securities pursuant to the optional redemption provisions of Paragraph 5 of the Security, it shall notify the Trustee in writing of (i) the Section of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Securities to be redeemed and (iv) the redemption price. Such notice may be conditional. The Issuer shall give notice to the Trustee provided for in this paragraph at least 30 days but not more than 60 days before a redemption date if the redemption is pursuant to Paragraph 5 of the Security, unless a shorter period is acceptable to the Trustee. Such notice shall be accompanied by an Officers' Certificate and Opinion of Counsel from the Issuer to the effect that such redemption will comply with the conditions herein. If fewer than all the Securities are to be redeemed, the record date relating to such redemption shall be selected by the Issuer and given to the Trustee, which record date shall be not fewer than 15 days after the date of notice to the Trustee. Any such notice may be canceled at any time prior to notice of such redemption being sent to any Holder and shall thereby be void and of no effect.

SECTION 3.04. Selection of Securities to Be Redeemed. In the case of any partial redemption, selection of Securities for redemption will be made by the Trustee by lot in accordance with the depository's procedures; *provided* that no Securities of \$2,000 or less shall be redeemed in part. The Trustee shall make the selection from outstanding Securities not previously called for redemption. The Trustee may select for redemption portions of the principal of Securities that have denominations larger than \$2,000. Securities and portions of them the Trustee selects shall be in amounts of \$2,000 or any integral multiple of \$1,000. Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption. The Trustee shall notify the Issuer promptly of the Securities or portions of Securities to be redeemed.

SECTION 3.05. Notice of Optional Redemption.

(a) At least 30 days but not more than 60 days before a redemption date pursuant to Paragraph 5 of the Security, the Issuer shall mail or cause to be mailed by first-class mail or cause to be sent electronically a notice of redemption to each Holder whose Securities are to be redeemed.

Any such notice shall identify the Securities to be redeemed and shall state:

- (i) the redemption date;
- (ii) the redemption price and the amount of accrued interest to, but not including, the redemption date;
- (iii) the name and address of the Paying Agent;
- (iv) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price, *plus* accrued interest;

(v) if fewer than all the outstanding Securities are to be redeemed, the certificate numbers and principal amounts of the particular Securities to be redeemed, the aggregate principal amount of Securities to be redeemed and the aggregate principal amount of Securities to be outstanding after such partial redemption;

(vi) that, unless the Issuer defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Securities (or portion thereof) called for redemption ceases to accrue on and after the redemption date;

(vii) the CUSIP number, ISIN and/or "Common Code" number, if any, printed on the Securities being redeemed; and

(viii) that no representation is made as to the correctness or accuracy of the CUSIP number or ISIN and/or "Common Code" number, if any, listed in such notice or printed on the Securities.

(b) At the Issuer's request, the Trustee shall give the notice of redemption in the Issuer's name and at the Issuer's expense. In such event, the Issuer shall provide the Trustee with the information required by this Section at least 10 days (or such shorter period as shall be acceptable to the Trustee) prior to the date such notice is to be provided to Holders and such notice may not be canceled.

SECTION 3.06. Effect of Notice of Redemption. Once notice of redemption is mailed or sent in accordance with Section 3.05, Securities called for redemption become due and payable on the redemption date and at the redemption price stated in the notice, except as provided in the final sentence of paragraph 5 of the Securities. Upon surrender to the Paying Agent, such Securities shall be paid at the redemption price stated in the notice, *plus* accrued interest, to, but not including, the redemption date; *provided, however*, that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest shall be payable to the Holder of the redeemed Securities registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

SECTION 3.07. Deposit of Redemption Price. With respect to any Securities, prior to 10:00 a.m., New York City time, on the redemption date, the Issuer shall deposit with the Paying Agent (or, if the Issuer or a Wholly Owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest on all Securities or portions thereof to be redeemed on that date other than Securities or portions of Securities called for redemption that have been delivered by the Issuer to the Trustee for cancellation. On and after the redemption date, interest shall cease to accrue on Securities or portions thereof called for redemption so long as the Issuer has deposited with the Paying Agent funds sufficient to pay the principal of, *plus* accrued and unpaid interest (if any) on, the Securities to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture.

SECTION 3.08. Securities Redeemed in Part. Upon surrender of a Security that is redeemed in part, the Issuer shall execute and the Trustee shall authenticate for the Holder (at the Issuer's expense) a new Security equal in principal amount to the unredeemed portion of the Security surrendered.

ARTICLE 4

COVENANTS

SECTION 4.01. Payment of Securities. The Issuer shall promptly pay the principal of and interest on the Securities on the dates and in the manner provided in the Securities and in this Indenture. An installment of principal or interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds as of 12:00 p.m. New York City time money sufficient to pay all principal and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuer shall pay interest on overdue principal at the rate specified therefor in the Securities, and it shall pay interest on overdue installments of interest at the same rate borne by the Securities to the extent lawful.

SECTION 4.02. Reports and Other Information.

(a) Notwithstanding that the Issuer may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Issuer shall file with the SEC (and provide the Trustee and Holders with copies thereof, without cost to each Holder, within 15 days after it files them with the SEC):

(i) within the time period specified in the SEC's rules and regulations, annual reports on Form 10-K (or any successor or comparable form) containing the information required to be contained therein (or required in such successor or comparable form),

(ii) within the time period specified in the SEC's rules and regulations, reports on Form 10-Q (or any successor or comparable form) containing the information required to be contained therein (or required in such successor or comparable form),

(iii) promptly from time to time after the occurrence of an event required to be therein reported (and in any event within the time period specified in the SEC's rules and regulations), such other reports on Form 8-K (or any successor or comparable form), and

(iv) any other information, documents and other reports which the Issuer would be required to file with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act;

provided, however, that the Issuer shall not be so obligated to file such reports with the SEC if the SEC does not permit such filing, in which event the Issuer shall make available such information to prospective purchasers of Securities, including by posting such reports on the primary website of the Issuer or its Subsidiaries in addition to providing such information to the Trustee and the Holders, in each case within 15 days after the time the Issuer would be required to file such information with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act, it being understood that the Trustee shall have no responsibility whatsoever to determine whether any filings have been made with the SEC or reports have been posted on such website.

(b) In the event that:

(i) the rules and regulations of the SEC permit the Issuer and any direct or indirect parent of the Issuer to report at such parent entity's level on a consolidated basis, and

(ii) such parent entity of the Issuer is not engaged in any business in any material respect other than incidental to its ownership, directly or indirectly, of the Capital Stock of the Issuer,

such consolidated reporting at such parent entity's level in a manner consistent with that described in this Section 4.02 for the Issuer shall satisfy this Section 4.02.

(c) The Issuer shall make such information available to prospective investors upon request. In addition, the Issuer shall, for so long as any Securities remain outstanding during any period when it is not subject to Section 13 or 15(d) of the Exchange Act, or otherwise permitted to furnish the SEC with certain information pursuant to Rule 12g3-2(b) of the Exchange Act, furnish to the Holders and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Notwithstanding the foregoing, the Issuer will be deemed to have furnished such reports referred to above to the Trustee and the Holders if the Issuer has filed such reports with the SEC via the EDGAR filing system and such reports are publicly available; *provided, however*, that the Trustee shall have no responsibility whatsoever to determine whether or not the Issuer has made such filing.

(a) So long as the Parent Guarantee is in effect, or (b) in the event that any direct or indirect parent of the Issuer is or becomes a guarantor of the Guaranteed Obligations, the Issuer may satisfy its obligations under this Section 4.02 with respect to financial information relating to the Issuer by furnishing financial information relating to the Parent Guarantor, or to such direct or indirect parent, as applicable; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to the Parent Guarantor, or to such direct or indirect parent, and any of their respective Subsidiaries other than the Issuer and its Subsidiaries, on the one hand, and the information relating to the Issuer, the Subsidiary Guarantors and the other Subsidiaries of the Issuer on a standalone basis, on the other hand.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates with respect thereto).

SECTION 4.04.	<u>Reserved.</u>
SECTION 4.05.	<u>Reserved.</u>
SECTION 4.06.	<u>Reserved.</u>
SECTION 4.07.	<u>Reserved.</u>
SECTION 4.08.	<u>Change of Control Triggering Event.</u>

(a) Upon a Change of Control Triggering Event, each Holder shall have the right to require the Issuer to repurchase all or any part of such Holder's Securities at a purchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to the date of repurchase (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), in accordance with the terms contemplated in this Section 4.08; *provided, however*, that notwithstanding the occurrence of a Change of Control Triggering Event, the Issuer shall not be obligated to purchase any Securities pursuant to this Section 4.08 in the event that it has exercised its right to redeem such Securities in accordance with Article 3 of this Indenture. In the event that at the time of such Change of Control Triggering Event the terms of any Bank Indebtedness restrict or prohibit the repurchase of Securities pursuant to this Section 4.08, then prior to the mailing or sending electronically of the notice to the Holders provided for in Section 4.08(b) but in any event within 30 days following any Change of Control Triggering Event, the Issuer shall (i) repay in full all such Bank Indebtedness or, if doing so will allow the purchase of Securities, offer to repay in full all Bank Indebtedness and repay all such Bank Indebtedness of each lender who has accepted such offer, or (ii) obtain the requisite consent under the agreements governing such Bank Indebtedness to permit the repurchase of the Securities as provided for in Section 4.08(b).

(b) Within 30 days following any Change of Control Triggering Event, except to the extent that the Issuer has exercised its right to redeem the Securities in accordance with Article 3 of this Indenture, the Issuer shall mail or send electronically a notice (a "Change of Control Offer") to each Holder with a copy to the Trustee stating:

- (1) that a Change of Control Triggering Event has occurred and that such Holder has the right to require the Issuer to repurchase such Holder's Securities at a repurchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest to the date of repurchase (subject to the right of the Holders of record on a record date to receive interest on the relevant interest payment date);
- (2) the circumstances and relevant facts and financial information regarding such Change of Control Triggering Event;

(3) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is sent); and

(4) the instructions determined by the Issuer, consistent with this Section 4.08, that a Holder must follow in order to have its Securities purchased.

(c) Holders electing to have a Security purchased shall be required to surrender the Security, with an appropriate form duly completed, to the Issuer at the address specified in the notice at least three Business Days prior to the purchase date. The Holders shall be entitled to withdraw their election if the Trustee or the Issuer receives not later than one Business Day prior to the purchase date a facsimile transmission or letter sent to the address specified in Section 13.02 or set forth in the notice described in Section 4.08(b) setting forth the name of the Holder, the principal amount of the Security that was delivered for purchase by the Holder and a statement that such Holder is withdrawing his election to have such Security purchased. Holders whose Securities are purchased only in part shall be issued new Securities equal in principal amount to the unpurchased portion of the Securities surrendered.

(d) On the purchase date, all Securities purchased by the Issuer under this Section shall be delivered to the Trustee for cancellation, and the Issuer shall pay the purchase price *plus* accrued and unpaid interest to the Holders entitled thereto.

(e) A Change of Control Offer may be made in advance of a Change of Control Triggering Event, and conditioned upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(f) Notwithstanding the other provisions of this Section 4.08, the Issuer shall not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.08 applicable to a Change of Control Offer made by the Issuer and purchases all Securities validly tendered and not withdrawn under such Change of Control Offer.

(g) If Holders of not less than 90% in aggregate principal amount of the outstanding Securities validly tender and do not withdraw such Securities in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer as described above, purchases all of the Securities validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Securities that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof *plus* accrued and unpaid interest to but excluding the date of redemption.

(h) Securities repurchased by the Issuer pursuant to a Change of Control Offer will have the status of Securities issued but not outstanding or will be retired and canceled at the option of the Issuer. Securities purchased by a third party pursuant to the preceding clause (f) or (g) will have the status of Securities issued and outstanding.

(i) At the time the Issuer delivers Securities to the Trustee which are to be accepted for purchase, the Issuer shall also deliver an Officers' Certificate stating that such Securities are to be accepted by the Issuer pursuant to and in accordance with the terms of this Section 4.08. A Security shall be deemed to have been accepted for purchase at the time the Trustee, directly or through an agent, mails or delivers payment therefor to the surrendering Holder.

(j) Prior to any Change of Control Offer, the Issuer shall deliver to the Trustee an Officers' Certificate stating that all conditions precedent contained herein to the right of the Issuer to make such offer have been complied with.

(k) The Issuer shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Securities pursuant to this Section 4.08. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.08 by virtue thereof.

SECTION 4.09. Compliance Certificate. The Issuer shall deliver to the Trustee within 120 days after the end of each fiscal year of the Issuer, beginning with the fiscal year ending on or about September 30, 2020, an Officers' Certificate (which Officers' Certificate shall be signed by two Officers of the Issuer, one of whom must be the principal executive officer, the principal financial officer or the principal accounting officer of the Issuer) stating that in the course of the performance by the signers of their duties as Officers of the Issuer they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such period. If they do, the certificate shall describe the Default, its status and what action the Issuer is taking or proposes to take with respect thereto. The Issuer also shall comply with Section 314(a)(4) of the TIA.

SECTION 4.10. Further Instruments and Acts. Upon request of the Trustee, the Issuer shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 4.11. Future Subsidiary Guarantors. The Issuer shall cause each Restricted Subsidiary that is a Domestic Subsidiary (unless such Subsidiary is a Receivables Subsidiary) that is an obligor under:

- (i) the Credit Agreements, or
- (ii) any capital markets debt securities in aggregate principal amount in excess of \$100.0 million,

to execute and deliver to the Trustee (x) a supplemental indenture substantially in the form of Exhibit D pursuant to which such Subsidiary shall guarantee the Issuer's Obligations under the Securities and this Indenture and (y) joinders to the Security Documents and take all actions required thereunder to perfect the liens created thereunder, to grant to the Collateral Agent a perfected security interest in the Collateral of such Restricted Subsidiary.

SECTION 4.12. Liens.

The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur or suffer to exist any Lien other than Permitted Liens on any asset or property of the Issuer or such Restricted Subsidiary securing Indebtedness unless such Lien securing such Indebtedness of the Issuer or such Restricted Subsidiary is junior to the Liens securing the Note Obligations upon the assets or property constituting the collateral for such Indebtedness, on terms no less favorable in any material respect to the Holders than the terms set forth in the Second Priority Intercreditor Agreement. In the case of any Permitted Lien that secures First Priority Lien Obligations, the Securities shall be equally and ratably secured with (or on a senior basis to, in the case of obligations subordinated in right of payment to the Securities) the obligations so secured on terms no less favorable in any material respect to the Holders than the terms set forth in the Second Priority Intercreditor Agreement; *provided* that the First Priority Lien Obligations that are Obligations in respect of a Revolving Credit Agreement may be secured on a senior basis with respect to any Revolving Facility Senior Collateral to Liens securing the Note Obligations with respect to such collateral, on terms no less favorable in any material respect to the Holders than the terms set forth in the Second Priority Intercreditor Agreement.

For purposes of determining compliance with this Section 4.12, in the event that a Lien meets the criteria of more than one of the categories of permitted Liens described in the definition of "Permitted Liens" or pursuant to Section 4.12(a), the Issuer shall, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such Lien in any manner that complies with this Section 4.12.

SECTION 4.13. Maintenance of Office or Agency.

(a) The Issuer shall maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee or Registrar) where Securities may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuer in respect of the Securities and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the corporate trust office of the Trustee as set forth in Section 13.02.

(b) The Issuer may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuer hereby designates the corporate trust office of the Trustee or its Agent as such office or agency of the Issuer in accordance with Section 2.04.

SECTION 4.14. Amendment of Security Documents. The Issuer shall not amend, modify or supplement, or permit or consent to any amendment, modification or supplement of, the Security Documents in any way that would be adverse to the Holders in any material respect, except as contemplated by the Intercreditor Agreements or as permitted under Article 9.

SECTION 4.15. After-Acquired Property. Upon the acquisition by the Issuer or any Subsidiary Guarantor of any First Priority After-Acquired Property, the Issuer or such Subsidiary Guarantor shall execute and deliver such mortgages, deeds of trust, security instruments, financing statements and certificates and opinions of counsel as shall be reasonably necessary to vest in the Collateral Agent a perfected security interest, subject only to Permitted Liens, in such First Priority After-Acquired Property and to have such First Priority After-Acquired Property (but subject to certain limitations, if applicable, including as described in the Security Documents) added to the Collateral, and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such First Priority After-Acquired Property to the same extent and with the same force and effect; *provided, however*, that if granting such first-priority security interest in such First Priority After-Acquired Property requires the consent of a third party, the Issuer shall use commercially reasonable efforts to obtain such consent with respect to the first -priority interest for the benefit of the Trustee on behalf of the Holders; *provided further, however*, that if such third party does not consent to the granting of such first -priority security interest after the use of such commercially reasonable efforts, the Issuer or such Subsidiary Guarantor, as the case may be, will not be required to provide such security interest.

SECTION 4.16. Reserved.

SECTION 4.17. Reserved.

SECTION 4.18. Reserved.

SECTION 4.19. Mortgages. The Issuer and the Subsidiary Guarantors shall use commercially reasonable efforts to deliver to the Trustee and the Collateral Agent as promptly as reasonably practicable after the Issue Date, but in any event within 120 days of the Issue Date, (a)(i) counterparts of each Mortgage or an amendment to each existing Mortgage granted to the Collateral Agent (a "Mortgage Amendment"), as applicable, to be entered into with respect to each Real Property that also secures the other First Priority Lien Obligations, duly executed and delivered by the record owner of such Real Property sufficient to grant to the Collateral Agent, for its benefit and the benefit of the Trustee and the holders of the Securities a valid first priority mortgage lien on such Real Property and otherwise suitable for recording or filing which Mortgage or Mortgage Amendment, as applicable, may be in a form consistent with such mortgages securing the other First Priority Lien Obligations previously delivered and shall otherwise be in form and substance acceptable to the Collateral Agent and (ii) opinions and such other documents including, but not limited to, any consents, agreements and confirmations of third parties with respect to any such Mortgage or Mortgage Amendment, as applicable, in each case consistent in form and substance with such documents as have been previously delivered in connection with the other First Priority Lien Obligations, and (b) title insurance policies or title insurance date-down endorsements, as applicable, in each case consistent in form and substance with such title insurance policies as have been previously delivered in connection with the other First Priority Lien Obligations, and paid for by the Company, issued by a nationally recognized title insurance company (which may be the same as the title insurance company or companies insuring the mortgages securing the other First Priority Lien Obligations) insuring the lien of each Mortgage or Mortgage Amendment, as applicable, as a valid first priority Lien on such Real Property to be entered into on or after the Issue Date as a valid Lien on the applicable property described therein, free of any other Liens, except for Permitted Liens, together with such customary endorsements, and with respect to any such property located in a state in which a zoning endorsement is not available, a zoning compliance letter from the applicable municipality in a form acceptable to the Collateral Agent.

(v) each Subsidiary Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Subsidiary Guarantee shall apply to such Person's obligations under this Indenture and the Securities; and

(vi) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures (if any) comply with this Indenture.

The Successor Company (if other than the Issuer) shall succeed to, and be substituted for, the Issuer under this Indenture, the Securities and the Security Documents, and in such event the Issuer will automatically be released and discharged from its obligations under this Indenture, the Securities and the Security Documents.

Notwithstanding the foregoing clauses (iii) of this Section 5.01(a), (A) any Restricted Subsidiary may merge, consolidate or amalgamate with or transfer all or part of its properties and assets to the Issuer or to another Restricted Subsidiary, and (B) the Issuer may merge, consolidate or amalgamate with an Affiliate incorporated solely for the purpose of reincorporating the Issuer in another state of the United States, the District of Columbia or any territory of the United States or may convert into a limited liability company, so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby. This Article 5 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Issuer and its Restricted Subsidiaries.

(b) Subject to the provisions of Section 12.02(b) (which govern the release of a Subsidiary Guarantee upon the sale or disposition of a Restricted Subsidiary of the Issuer that is a Subsidiary Guarantor), no Subsidiary Guarantor shall, and the Issuer shall not permit any Subsidiary Guarantor to, consolidate, amalgamate or merge with or into or wind up into (whether or not such Subsidiary Guarantor is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person including, in each case, pursuant to a Delaware LLC Division unless:

(i) either (a) such Subsidiary Guarantor is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, Delaware LLC Division, or merger (if other than such Subsidiary Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation, partnership or limited liability company organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory of the United States (such Subsidiary Guarantor or such Person, as the case may be, being herein called the "Successor Subsidiary Guarantor") and the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) expressly assumes all the obligations of such Subsidiary Guarantor under this Indenture, such Subsidiary Guarantor's Subsidiary Guarantee and the Security Documents pursuant to a supplemental indenture or other documents or instruments in form reasonably satisfactory to the Trustee and the Collateral Agent or (b) such sale or disposition or consolidation, amalgamation, Delaware LLC Division, or merger is not in violation of this Indenture; and

(ii) the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) shall have delivered or caused to be delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, amalgamation, merger or transfer and such supplemental indenture (if any) comply with this Indenture.

Except as otherwise provided in this Indenture, the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) will succeed to, and be substituted for, such Subsidiary Guarantor under this Indenture, such Subsidiary Guarantor's Subsidiary Guarantee and the Security Documents, and such Subsidiary Guarantor will automatically be released and discharged from its obligations under this Indenture, such Subsidiary Guarantor's Subsidiary Guarantee and the Security Documents. Notwithstanding the foregoing, (1) a Subsidiary Guarantor may merge, amalgamate or consolidate with an Affiliate incorporated solely for the purpose of reincorporating such Subsidiary Guarantor in another state of the United States, the District of Columbia or any territory of the United States so long as the amount of Indebtedness of the Subsidiary Guarantor is not increased thereby and (2) a Subsidiary Guarantor may merge, amalgamate or consolidate with another Subsidiary Guarantor or the Issuer.

In addition, notwithstanding the foregoing, any Subsidiary Guarantor may consolidate, amalgamate or merge with or into or wind up into, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets (collectively, a "Transfer") to (x) the Issuer or any Subsidiary Guarantor or (y) any Restricted Subsidiary of the Issuer that is not a Subsidiary Guarantor; provided that at the time of each such Transfer pursuant to clause (y) the aggregate amount of all such Transfers since the Issue Date shall not exceed 5.0% of the consolidated assets of the Issuer and the Subsidiary Guarantors as shown on the most recent available balance sheet of the Issuer and the Restricted Subsidiaries after giving effect to each such Transfer and including all Transfers occurring from and after the Issue Date.

ARTICLE 6

DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default. An “Event of Default” with respect to the Securities occurs if:

- (a) there is a default in any payment of interest on any Security when the same becomes due and payable, and such default continues for a period of 30 days,
- (b) there is a default in the payment of principal or premium, if any, of any Security when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise,
- (c) the Issuer or any of its Restricted Subsidiaries fails to comply with its obligations under Section 5.01,
- (d) the Issuer or any of its Restricted Subsidiaries fails to comply with any of its agreements in the Securities or this Indenture (other than those referred to in clause (a), (b) or (c) above) and such failure continues for 60 days after the notice specified below,
- (e) the Issuer or any Significant Subsidiary fails to pay any Indebtedness (other than Indebtedness owing to the Issuer or a Restricted Subsidiary) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid or accelerated exceeds \$50.0 million or its foreign currency equivalent,
- (f) the Issuer or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:
 - (i) commences a voluntary case;
 - (ii) consents to the entry of an order for relief against it in an involuntary case;
 - (iii) consents to the appointment of a Custodian of it or for any substantial part of its property; or
- (iv) makes a general assignment for the benefit of its creditors or takes any comparable action under any foreign laws relating to insolvency,
- (g) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - (i) is for relief against the Issuer or any Significant Subsidiary in an involuntary case;
 - (ii) appoints a Custodian of the Issuer or any Significant Subsidiary or for any substantial part of its property; or
 - (iii) orders the winding up or liquidation of the Issuer or any Significant Subsidiary;

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days,

(h) the Issuer or any Significant Subsidiary fails to pay final judgments aggregating in excess of \$50.0 million or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent carriers), which judgments are not discharged, waived or stayed for a period of 60 days following the entry thereof,

(i) any Subsidiary Guarantee of a Significant Subsidiary with respect to the Securities ceases to be in full force and effect (except as contemplated by the terms thereof) or any Subsidiary Guarantor denies or disaffirms its obligations under this Indenture or any Subsidiary Guarantee with respect to the Securities and such Default continues for 10 days,

(j) unless all of the Collateral has been released from the First Priority Liens in accordance with the provisions of the Security Documents with respect to the Securities, the Issuer shall assert or any Subsidiary Guarantor shall assert, in any pleading in any court of competent jurisdiction, that any such security interest is invalid or unenforceable and, in the case of any such Person that is a Subsidiary of the Issuer, the Issuer fails to cause such Subsidiary to rescind such assertions within 30 days after the Issuer has actual knowledge of such assertions, or

(k) the Issuer or any Subsidiary Guarantor fails to comply for 60 days after notice with its other agreements contained in the Security Documents except for a failure that would not be material to the Holders of the Securities and would not materially affect the value of the Collateral taken as a whole.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A Default under clause (d) or (k) above shall not constitute an Event of Default until the Trustee notifies the Issuer or the Holders of at least 25% in principal amount of the outstanding Securities notify the Issuer and the Trustee of the Default and the Issuer does not cure such Default within the time specified in clause (d) or (k) above after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a "Notice of Default." The Issuer shall deliver to the Trustee, within five (5) Business Days after the occurrence thereof, written notice in the form of an Officers' Certificate of any event which is, or with the giving of notice or the lapse of time or both would become, an Event of Default, its status and what action the Issuer is taking or propose to take with respect thereto.

SECTION 6.02. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(f) or (g) with respect to the Issuer) occurs with respect to the Securities and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding Securities, by notice to the Issuer, may declare the principal of, premium, if any, and accrued but unpaid interest on all the Securities to be due and payable; *provided, however*, that so long as any Bank Indebtedness remains outstanding, no such acceleration shall be effective until the earlier of (i) five (5) Business Days after the giving of written notice to the Issuer and the Representatives under the Credit Agreements and (ii) the day on which any Bank Indebtedness is accelerated. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default specified in Section 6.01(f) or (g) with respect to the Issuer occurs, the principal of, premium, if any, and interest on all the Securities shall become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. The Holders of a majority in principal amount of the outstanding Securities by notice to the Trustee may rescind any such acceleration and its consequences.

In the event of any Event of Default specified in Section 6.01(e), such Event of Default and all consequences thereof (excluding, however, any resulting payment default) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose the Issuer delivers an Officers' Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Securities as described above be annulled, waived or rescinded upon the happening of any such events.

SECTION 6.03. Other Remedies. If an Event of Default with respect to the Securities occurs and is continuing, the Trustee may pursue any available remedy at law or in equity to collect the payment of principal of or interest on the Securities or to enforce the performance of any provision of the Securities, this Indenture or the Security Documents.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. To the extent required by law, all available remedies are cumulative.

SECTION 6.04. Waiver of Past Defaults. Provided the Securities are not then due and payable by reason of a declaration of acceleration, the Holders of a majority in principal amount of the Securities by written notice to the Trustee may waive an existing Default or Event of Default and its consequences except (a) a Default in the payment of the principal of or interest on a Security, (b) a Default arising from the failure to redeem or purchase any Security when required pursuant to the terms of this Indenture or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured and the Issuer, the Trustee and the Holders will be restored to their former positions and rights under this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05. Control by Majority. Subject to the terms of the Intercreditor Agreements, the Holders of a majority in principal amount of the Securities may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under this Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

SECTION 6.06. Limitation on Suits.

(a) Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Securities unless:

- (i) the Holder gives to the Trustee written notice stating that an Event of Default is continuing;
- (ii) the Holders of at least 25% in principal amount of the outstanding Securities make a written request to the Trustee to pursue the remedy;
- (iii) such Holder or Holders offer to the Trustee security or indemnity satisfactory to it against any loss, liability or expense;
- (iv) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and
- (v) the Holders of a majority in principal amount of the outstanding Securities do not give the Trustee a direction inconsistent with the request during such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.07. Rights of the Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on the Securities held by such Holder, on or after the respective due dates expressed or provided for in the Securities, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing with respect to Securities, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other Obligor on the Securities for the whole amount then due and owing (together with interest on overdue principal and (to the extent lawful) on any unpaid interest at the rate provided for in such Securities) and the amounts provided for in Section 7.07.

SECTION 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation, expenses disbursements and advances of the Trustee (including counsel, accountants, experts or such other professionals as the Trustee deems necessary, advisable or appropriate)), the Holders of Securities then outstanding allowed in any judicial proceedings relative to the Issuer or any Obligors, its creditors or its property, shall be entitled to participate as a member, voting or otherwise, of any official committee of creditors appointed in such matters and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.

SECTION 6.10. Priorities. Subject to the provisions of the Intercreditor Agreements and the Security Documents, if the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

FIRST: to the Trustee and the Collateral Agent for amounts due under Section 7.07;

SECOND: to the Holders for amounts due and unpaid on the Securities for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal and interest, respectively; and

THIRD: to the Issuer.

The Trustee may fix a record date and payment date for any payment to the Holders pursuant to this Section. At least 15 days before such record date, the Trustee shall send to each Holder and the Issuer a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Securities.

SECTION 6.12. Waiver of Stay or Extension Laws. Neither the Issuer nor the Parent Guarantor nor any Subsidiary Guarantor (to the extent it may lawfully do so) shall at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer, the Parent Guarantor and each Subsidiary Guarantor (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 7

TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee (it being agreed that the permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty); and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. The Trustee shall be under no duty to make any investigation as to any statement contained in any such instance, but may accept the same as conclusive evidence of the truth and accuracy of such statement or the correctness of such opinions. However, in the case of certificates or opinions required by any provision hereof to be provided to it, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own gross negligent action, its own gross negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section and the provisions of the TIA.

SECTION 7.02. Rights of Trustee.

(a) The Trustee may conclusively rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however, that the Trustee's conduct does not constitute willful misconduct or gross negligence.

(e) The Trustee may consult with counsel of its own selection and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Securities shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document unless requested in writing to do so by the Holders of not less than a majority in principal amount of the Securities at the time outstanding, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney, at the expense of the Issuer and shall incur no liability of any kind by reason of such inquiry or investigation.

(g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, including as Collateral Agent, and each agent, custodian and other Person employed to act hereunder.

(i) The Trustee shall not be liable for any action taken or omitted by it in good faith at the direction of the Holders of not less than a majority in principal amount of the outstanding Securities as to the time, method and place of conducting any proceedings for any remedy available to the Trustee or the exercising of any power conferred by this Indenture.

(j) Any action taken, or omitted to be taken, by the Trustee in good faith pursuant to this Indenture upon the request or authority or consent of any person who, at the time of making such request or giving such authority or consent, is the Holder of any Security shall be conclusive and binding upon future Holders of Securities and upon Securities executed and delivered in exchange therefor or in place thereof.

(k) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(m) The Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(n) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Issuer or their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent or Registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Parent Guarantee, any Subsidiary Guarantee or the Securities, it shall not be accountable for the Issuer's use of the proceeds from the Securities, and it shall not be responsible for any statement of the Issuer, the Parent Guarantor, or any Subsidiary Guarantor in this Indenture or in any document issued in connection with the sale of the Securities or in the Securities other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of any Default or Event of Default under Sections 6.01(c), (d), (e), (h), or (i) or of the identity of any Significant Subsidiary unless either (a) a Trust Officer shall have actual knowledge thereof or (b) the Trustee shall have received written notice thereof in accordance with Section 13.02 hereof from the Issuer, the Parent Guarantor, any Subsidiary Guarantor or any Holder. In accepting the trust hereby created, the Trustee acts solely as Trustee for the Holders and not in its individual capacity and all persons, including without limitation the Holders of Securities and the Issuer having any claim against the Trustee arising from this Indenture shall look only to the funds and accounts held by the Trustee hereunder for payment except as otherwise provided herein.

SECTION 7.05. Notice of Defaults. If a Default occurs and is continuing and if it is actually known to a Trust Officer of the Trustee, the Trustee shall send to each Holder notice of the Default within the earlier of 90 days after it occurs or 30 days after it is actually known to a Trust Officer or written notice of it is received by the Trustee. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Security, the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of the Holders.

SECTION 7.06. Reports by Trustee to the Holders. As promptly as practicable after each June 30 beginning with the June 30 following the date of this Indenture, and in any event prior to August 30 in each year, the Trustee shall send to each Holder a brief report dated as of such June 30 that complies with Section 313(a) of the TIA if and to the extent required thereby. The Trustee shall also comply with Section 313(b) of the TIA.

A copy of each report at the time of its mailing to the Holders shall be filed with the SEC and each stock exchange (if any) on which the Securities are listed. The Issuer agrees to notify promptly the Trustee in writing whenever the Securities become listed on any stock exchange and of any delisting thereof.

SECTION 7.07. Compensation and Indemnity. The Issuer shall pay to the Trustee from time to time such compensation for its services as shall be agreed in writing between the Issuer and the Trustee. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuer, the Parent Guarantor and each Subsidiary Guarantor, jointly and severally, shall indemnify the Trustee against any and all loss, liability, claim, damage or expense (including reasonable attorneys' fees and expenses) incurred by or in connection with the acceptance or administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing this Indenture, the Parent Guarantee or Subsidiary Guarantee against the Issuer, the Parent Guarantor or a Subsidiary Guarantor (including this Section 7.07) and defending itself against or investigating any claim (whether asserted by the Issuer, the Parent Guarantor, any Subsidiary Guarantor, any Holder or any other Person). The obligation to pay such amounts shall survive the payment in full or defeasance of the Securities or the removal or resignation of the Trustee. The Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; provided, however, that any failure so to notify the Issuer shall not relieve the Issuer, the Parent Guarantor or any Subsidiary Guarantor of its indemnity obligations hereunder. The Issuer shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuer's expense in the defense. Such indemnified parties may have separate counsel and the Issuer, the Parent Guarantor and the Subsidiary Guarantors, as applicable shall pay the fees and expenses of such counsel; *provided, however*, that the Issuer shall not be required to pay such fees and expenses if it assumes such indemnified parties' defense and, in such indemnified parties' reasonable judgment, there is no conflict of interest between the Issuer, the Parent Guarantor and the Subsidiary Guarantors, as applicable, and such parties in connection with such defense. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct or negligence.

To secure the Issuer's, the Parent Guarantor's and the Subsidiary Guarantors' payment obligations in this Section, the Trustee shall have a Lien prior to the Securities on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Securities pursuant to Article 8 hereof or otherwise.

The Issuer's, the Parent Guarantor's and the Subsidiary Guarantors' payment obligations pursuant to this Section shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(f) or (g) with respect to the Issuer, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if repayment of such funds or adequate indemnity against such risk or liability is not assured to its satisfaction.

SECTION 7.08. Replacement of Trustee.

(a) The Trustee may resign at any time by so notifying the Issuer. The Holders of a majority in principal amount of the Securities may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee. The Issuer shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.10;
- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

(b) If the Trustee resigns, is removed by the Issuer or by the Holders of a majority in principal amount of the Securities and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall send a notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the Lien provided for in Section 7.07.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Securities may petition at the expense of the Issuer any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.10, unless the Trustee's duty to resign is stayed as provided in Section 310(b) of the TIA, any Holder who has been a bona fide holder of a Security for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuer's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

ARTICLE 8

SECTION 8.01. Discharge of Liability on Securities; Defeasance. This Indenture shall be discharged and shall cease to be of further effect (except as to surviving rights of registration of transfer or exchange of Securities, as expressly provided for in this Indenture) as to all outstanding Securities when:

(a) either (i) all the Securities theretofore authenticated and delivered (other than Securities pursuant to Section 2.08 which have been replaced or paid and Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation or (ii) all of the Securities (a) have become due and payable, (b) will become due and payable at their stated maturity within one year or (c) if redeemable at the option of the Issuer, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer has irrevocably deposited or caused to be deposited with the Trustee cash in U.S. Dollars, U.S. Government Obligations or a combination thereof in an amount sufficient in the written opinion of a firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited) to pay and discharge the entire Indebtedness on the Securities not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Securities to the date of deposit together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be; provided that upon any redemption that requires the payment of the Make-Whole Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Make-Whole Premium calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption;

(b) the Issuer, the Parent Guarantor and/or the Subsidiary Guarantors have paid all other sums payable under this Indenture; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

Subject to Sections 8.01(c) and 8.02, the Issuer at any time may terminate (i) all of its obligations under the Securities and this Indenture ("legal defeasance option") or (ii) its obligations under Sections 4.02, 4.08, 4.09, 4.11, 4.12 and 4.15 for the benefit of the Securities and the operation of Section 5.01 and Sections 6.01(c), 6.01(d), 6.01(e), 6.01(f) (with respect to Significant Subsidiaries of the Issuer only), 6.01(g) (with respect to Significant Subsidiaries of the Issuer only), 6.01(h), 6.01(i), 6.01(j) and 6.01(k) ("covenant defeasance option") for the benefit of the Securities. The Issuer may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. In the event that the Issuer terminates all of its obligations under the Securities and this Indenture by exercising its legal defeasance option or its covenant defeasance option, the obligations of each Subsidiary Guarantor under its Subsidiary Guarantee of the Securities and all obligations under the Security Documents shall be terminated simultaneously with the termination of such obligations.

If the Issuer exercises its legal defeasance option, payment of the Securities so defeased may not be accelerated because of an Event of Default. If the Issuer exercises its covenant defeasance option, payment of the Securities so defeased may not be accelerated because of an Event of Default specified in Section 6.01(c), 6.01(d), 6.01(e), 6.01(f) (with respect to Significant Subsidiaries of the Issuer only), 6.01(g) (with respect to Significant Subsidiaries of the Issuer only), 6.01(h), 6.01(i), 6.01(j) or 6.01(k).

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

Notwithstanding clauses (a) and (b) above, the Issuer's obligations in Sections 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 7.07, 7.08 and in this Article 8 shall survive until the Securities have been paid in full. Thereafter, the Issuer's obligations in Sections 7.07, 8.05 and 8.06 shall survive such satisfaction and discharge.

SECTION 8.02. Conditions to Defeasance.

- only if:
- (a) The Issuer may exercise its legal defeasance option or its covenant defeasance option, in each case, with respect to the Securities
 - (i) the Issuer irrevocably deposits in trust with the Trustee cash in U.S. Dollars, U.S. Government Obligations or a combination thereof in an amount sufficient or U.S. Government Obligations, the principal of and the interest on which will be sufficient, or a combination thereof sufficient, to pay the principal of and premium (if any) and interest on the Securities when due at maturity or redemption, as the case may be, including interest thereon to maturity or such redemption date; *provided* that upon any redemption that requires the payment of the Make-Whole Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Make-Whole Premium calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption;
 - (ii) the Issuer delivers to the Trustee a certificate from a nationally recognized firm of independent accountants expressing their opinion that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations *plus* any deposited money without investment will provide cash at such times and in such amounts as will be sufficient to pay principal, premium, if any, and interest when due on all the Securities to maturity or redemption, as the case may be; *provided* that upon any redemption that requires the payment of the Make-Whole Premium the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Make-Whole Premium calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption;
 - (iii) 123 days pass after the deposit is made and during the 123-day period no Default specified in Section 6.01(f) or (g) with respect to the Issuer occurs which is continuing at the end of the period;
 - (iv) the deposit does not constitute a default under any other agreement binding on the Issuer;
 - (v) in the case of the legal defeasance option, the Issuer shall have delivered to the Trustee an Opinion of Counsel stating that (1) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (2) since the date of this Indenture there has been a change in the applicable Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred, *provided* that such Opinion of Counsel shall not be required by this clause (v) if all the Securities not theretofore delivered to the Trustee for cancellation (x) have become due and payable or (y) will become due and payable at their Stated Maturity within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer;
 - (vi) such exercise does not impair the right of any Holder to receive payment of principal, premium, if any, and interest on such Holder's Securities on or after the due dates therefore or to institute suit for the enforcement of any payment on or with respect to such Holder's Securities;
 - (vii) in the case of the covenant defeasance option, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; and
 - (viii) the Issuer delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Securities to be so defeased and discharged as contemplated by this Article 8 have been complied with.
-

(b) Before or after a deposit, the Issuer may make arrangements satisfactory to the Trustee for the redemption of such Securities at a future date in accordance with Article 3.

SECTION 8.03. Application of Trust Money. The Trustee shall hold in trust money or U.S. Government Obligations (including proceeds thereof) deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from U.S. Government Obligations through each Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Securities so discharged or defeased.

SECTION 8.04. Repayment to Issuer. Each of the Trustee and each Paying Agent shall promptly turn over to the Issuer upon request any money or U.S. Government Obligations held by it as provided in this Article which, in the written opinion of a nationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article 8.

Subject to any applicable abandoned property law, the Trustee and each Paying Agent shall pay to the Issuer upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuer for payment as general creditors, and the Trustee and each Paying Agent shall have no further liability with respect to such monies.

SECTION 8.05. Indemnity for U.S. Government Obligations. The Issuer shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.06. Reinstatement. If the Trustee or any Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Securities so discharged or defeased shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or any Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article 8; provided, however, that, if the Issuer has made any payment of principal of or interest on, any such Securities because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee or any Paying Agent.

ARTICLE 9

AMENDMENTS AND WAIVERS

SECTION 9.01. Without Consent of the Holders. The Issuer and the Trustee may amend this Indenture, the Securities, any Security Document or any Intercreditor Agreement with respect to the Securities without notice to or consent of any Holder:

- (i) to cure any ambiguity, omission, defect or inconsistency;
- (ii) to provide for the assumption by a Successor Company of the obligations of the Issuer under this Indenture and the Securities;
- (iii) to provide for the assumption by a Successor Subsidiary Guarantor of the obligations of a Subsidiary Guarantor under this Indenture and its Subsidiary Guarantee;
- (iv) to provide for uncertificated Securities in addition to or in place of certificated Securities; *provided, however,* that the uncertificated Securities are issued in registered form for purposes of Section 163(f) of the Code or in a manner such that the uncertificated Securities are described in Section 163(f)(2)(B) of the Code;

- (v) to add a Subsidiary Guarantee with respect to the Securities or to secure the Securities;
- (vi) to add additional assets as Collateral;
- (vii) to release Collateral from the Lien securing the Securities pursuant to the Security Documents when permitted or required by this Indenture, the Security Documents or any Intercreditor Agreement;
- (viii) to add to the covenants of the Issuer for the benefit of the Holders or to surrender any right or power herein conferred upon the Issuer;
- (ix) to modify the Security Documents and/or any Intercreditor Agreements, to secure other First Priority Lien Obligations and/or second priority secured obligations of the Issuer or any Subsidiary Guarantor (including, without limitation, any Other Second-Lien Obligations) so long as such other First Priority Lien Obligations and/or second priority secured obligations (including, without limitation, any Other Second-Lien Obligations) are not prohibited by the provisions of the Credit Agreements, the Existing Second Priority Notes Indentures, this Indenture, the First Priority Dollar Notes Indenture or First Priority Euro Notes Indenture;

- (xiii) to provide for the issuance of the Exchange Securities or the Additional Securities, which shall have terms substantially identical in all material respects to the Original Securities, and which shall be treated, together with any outstanding Original Securities, as a single issue of securities; or
- (xiv) to conform the text of this Indenture or the Securities to any provision of the “Description of First Priority Notes” section of the Offering Memorandum to the extent that such a provision in the “Description of First Priority Notes” section of the Offering Memorandum was intended to be a verbatim recitation of a provision to comply with any requirements of this Indenture or the Securities.

After an amendment under this Section 9.01 becomes effective, the Issuer shall mail to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.

SECTION 9.02. With Consent of the Holders. The Issuer and the Trustee may amend this Indenture, the Securities, the Security Documents and the Intercreditor Agreements with respect to the Securities with the written consent of the Holders of at least a majority in principal amount of the Securities then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange for the Securities). However, without the consent of each Holder of an outstanding Security affected, an amendment may not:

- (i) reduce the amount of Securities whose Holders must consent to an amendment,
- (ii) reduce the rate of or extend the time for payment of interest on any Security,
- (iii) reduce the principal of or change the Stated Maturity of any Security,

- (iv) reduce the premium payable upon the redemption of any Security or change the time at which any Security may be redeemed in accordance with Article 3,
- (v) make any Security payable in money other than that stated in such Security,
- (vi) expressly subordinate the Securities or any Subsidiary Guarantee to any other Indebtedness of the Issuer or any Subsidiary Guarantor,
- (vii) impair the right of any Holder to receive payment of principal of, premium, if any, and interest on such Holder's Securities on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Securities,
- (viii) make any change in Section 6.04 or 6.07 or the second sentence of this Section 9.02,
- (ix) modify any Subsidiary Guarantee in any manner adverse to the Holders, or
- (x) make any change in the provisions in any Intercreditor Agreement or this Indenture dealing with the application of gross proceeds of Collateral that would adversely affect the Holders of the Securities.

Subject to Section 11.04, without the consent of the Holders of at least two-thirds in aggregate principal amount of the Securities then outstanding, no amendment or waiver may release all or substantially all of the Collateral from the Lien of this Indenture and the Security Documents with respect to the Securities.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

After an amendment under this Section 9.02 becomes effective, the Issuer shall promptly mail to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

SECTION 9.03. Compliance with Trust Indenture Act. From the date on which this Indenture is qualified under the TIA, every amendment, waiver or supplement to this Indenture or the Securities shall comply with the TIA as then in effect.

SECTION 9.04. Revocation and Effect of Consents and Waivers.

(a) A consent to an amendment or a waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent or waiver is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Security or portion of the Security if the Trustee receives written notice of revocation delivered in accordance with Section 13.02 before the date on which the Trustee receives an Officers' Certificate from the Issuer certifying that the requisite principal amount of Securities have consented. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuer or the Trustee of consents by the Holders of the requisite principal amount of securities, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuer and the Trustee.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.05. Notation on or Exchange of Securities. If an amendment, supplement or waiver changes the terms of a Security, the Issuer may require the Holder of the Security to deliver it to the Trustee. The Trustee may place an appropriate notation on the Security regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms. Failure to make the appropriate notation or to issue a new Security shall not affect the validity of such amendment, supplement or waiver.

SECTION 9.06. Trustee to Sign Amendments. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing such amendment, the Trustee shall receive indemnity reasonably satisfactory to it and shall be provided with, and (subject to Section 7.01) shall be fully protected in conclusively relying upon, an Officers' Certificate and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer and the Subsidiary Guarantors, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03).

SECTION 9.07. Payment for Consent. Neither the Issuer nor any Affiliate of the Issuer shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Securities unless such consideration is offered to be paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement.

SECTION 9.08. Additional Voting Terms; Calculation of Principal Amount. Except as otherwise set forth herein, all Securities issued under this Indenture shall vote and consent separately on all matters as to which any of such Securities may vote. Determinations as to whether Holders of the requisite aggregate principal amount of Securities have concurred in any direction, waiver or consent shall be made in accordance with this Article 9 and Section 2.14.

ARTICLE 10

The Intercreditor Agreements shall define the relative rights, as lienholders, of holders of Note Obligations and Other Second-Lien Obligations on the one hand and holders of First Priority Lien Obligations on the other hand. Nothing in this Indenture or the Intercreditor Agreements will:

- (a) impair, as between the Issuer and Holders, the obligation of the Issuer, which is absolute and unconditional, to pay principal of, premium and interest on the Securities in accordance with their terms or to perform any other obligation of the Issuer or any other Obligor under this Indenture, the Securities, the Parent Guarantee, the Subsidiary Guarantees and the Security Documents;

 - (iv) to seek the creation of, or appointment to, any official committee representing creditors (or certain of the creditors) in any insolvency or liquidation proceedings and, if appointed, to serve and act as a member of such committee without being in any respect restricted or bound by, or liable for, any of the obligations under this Article 10;

 - (viii) as to any matter relating to any plan of reorganization or other restructuring or liquidation plan or as to any matter relating to the administration of the estate or the disposition of the case or proceeding (in each case except as set forth in the Intercreditor Agreements).

Subject to the Intercreditor Agreements, the Trustee is authorized and empowered to institute and maintain, or direct the Collateral Agent to institute and maintain, such suits and proceedings as it may deem expedient to protect or enforce the First Priority Liens or the Security Documents to which the Collateral Agent or Trustee is a party or to prevent any impairment of Collateral by any acts that may be unlawful or in violation of the Security Documents to which the Collateral Agent or Trustee is a party or this Indenture, and such suits and proceedings as the Trustee or the Collateral Agent may deem expedient to preserve or protect its interests and the interests of the Holders of Securities in the Collateral, including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of Holders, the Trustee or the Collateral Agent.

SECTION 11.04. Release of Liens.

(a) Subject to subsections (b) and (c) of this Section 11.04, Collateral may be released from the Lien and security interest created by the Security Documents at any time or from time to time in accordance with the provisions of the Security Documents, the Intercreditor Agreements or as provided hereby. Upon the request of the Issuer pursuant to an Officers' Certificate and Opinion of Counsel certifying that all conditions precedent hereunder have been met, the Issuer and the Subsidiary Guarantors will be entitled to the release of assets included in the Collateral from the Liens securing the Securities, and the Collateral Agent and the Trustee (if the Trustee is not then the Collateral Agent) shall release the same from such Liens at the Issuer's sole cost and expense, under any one or more of the following circumstances:

- (1) to enable the Issuer or any Subsidiary Guarantor to consummate the disposition of such property or assets to the extent not prohibited under this Indenture;
- (2) in the case of a Subsidiary Guarantor that is released from its Subsidiary Guarantee with respect to the Securities, the release of the property and assets of such Subsidiary Guarantor;
- (3) as described under Article 9; or
- (4) to the extent required by the terms of any Intercreditor Agreement;

Upon the receipt of an Officers' Certificate from the Issuer and an Opinion of Counsel, as described above, and any necessary or proper instruments of termination, satisfaction or release prepared by the Issuer, the Collateral Agent shall execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents or the Intercreditor Agreements.

(b) Except as otherwise provided in the Intercreditor Agreements, no Collateral may be released from the Lien and security interest created by the Security Documents unless the Officers' Certificate required by this Section 11.04 has been delivered to the Collateral Agent and the Trustee not less than five days prior to the date of such release.

(c) At any time when a Default or Event of Default has occurred and is continuing and the maturity of the Securities has been accelerated (whether by declaration or otherwise) and the Trustee has delivered a notice of acceleration to the Collateral Agent, no release of Collateral pursuant to the provisions of this Indenture or the Security Documents will be effective as against the Holders, except as otherwise provided in the Intercreditor Agreements.

SECTION 11.05. Filing, Recording and Opinions.

(a) The Issuer will comply with the provisions of TIA §§ 314(b) and 314(d), in each case following qualification of this Indenture pursuant to the TIA and except to the extent not required as set forth in any SEC regulation or interpretation (including any no-action letter issued by the Staff of the SEC, whether issued to the Issuer or any other Person). Following such qualification, to the extent the Issuer is required to furnish to the Trustee an Opinion of Counsel pursuant to TIA §§ 314(b)(2), the Issuer will furnish such opinion not more than 60 but not less than 30 days prior to each September 30.

Any release of Collateral permitted by Section 11.04 hereof will be deemed not to impair the Liens under this Indenture and the Security Documents in contravention thereof and any person that is required to deliver an Officers' Certificate or Opinion of Counsel pursuant to Section 314(d) of the TIA, shall be entitled to rely upon the foregoing as a basis for delivery of such certificate or opinion. The Trustee may, to the extent permitted by Sections 7.01 and 7.02 hereof, accept as conclusive evidence of compliance with the foregoing provisions the appropriate statements contained in such documents and Opinion of Counsel.

(b) If any Collateral is released in accordance with this Indenture or any Security Document and if the Issuer has delivered the certificates and documents required by the Security Documents and Section 11.04, the Trustee will determine whether it has received all documentation required by TIA § 314(d) in connection with such release and, based on such determination and the Opinion of Counsel delivered pursuant to Section 11.04, will, upon request, deliver a certificate to the Collateral Agent setting forth such determination.

SECTION 11.06. [Reserved].

SECTION 11.07. Powers Exercisable by Receiver or Trustee. In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 11 upon the Issuer or a Subsidiary Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or a Subsidiary Guarantor or of any officer or officers thereof required by the provisions of this Article 11; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

SECTION 11.08. Release Upon Termination of the Issuer's Obligations. In the event (i) that the Issuer delivers to the Trustee, in form and substance acceptable to it, an Officers' Certificate and Opinion of Counsel certifying that all the obligations under this Indenture, the Securities and the Security Documents have been satisfied and discharged by the payment in full of the Issuer's obligations under the Securities, this Indenture and the Security Documents, and all such obligations have been so satisfied, or (ii) a discharge, legal defeasance or covenant defeasance of this Indenture occurs under Article 8, the Trustee shall deliver to the Issuer and the Collateral Agent a notice stating that the Trustee, on behalf of the Holders, disclaims and gives up any and all rights it has in or to the Collateral, and any rights it has under the Security Documents, and upon receipt by the Collateral Agent of such notice, the Collateral Agent shall be deemed not to hold a Lien in the Collateral on behalf of the Trustee and shall, at the expense of the Issuer, do or cause to be done all acts reasonably necessary to release such Lien as soon as is reasonably practicable.

SECTION 11.09. Designations. Except as provided in the next sentence, for purposes of the provisions hereof and the Intercreditor Agreements requiring the Issuer to designate Indebtedness for the purposes of the terms First Priority Lien Obligations and Other Second-Lien Obligations, or any other such designations hereunder or under the Intercreditor Agreements, any such designation shall be sufficient if the relevant designation provides in writing that such First Priority Lien Obligations or Other Second-Lien Obligations are permitted under this Indenture and is signed on behalf of the Issuer by an Officer and delivered to the Trustee, the Collateral Agent and the First Lien Agent. For all purposes hereof and the Intercreditor Agreements, the Issuer hereby designates the Obligations pursuant to the Credit Agreements as in effect on the Issue Date as First Priority Lien Obligations and designates the Note Obligations as First Priority Lien Obligations (as defined in each Existing Second Priority Notes Indenture).

ARTICLE 12

SUBSIDIARY GUARANTEES

SECTION 12.01. Subsidiary Guarantees.

(a) Each Subsidiary Guarantor hereby jointly and severally, irrevocably and unconditionally guarantees on a senior basis and on a first priority senior secured basis, as a primary obligor and not merely as a surety, to each Holder, the Trustee and the Collateral Agent and their successors and assigns (i) the full and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all obligations of the Issuer under this Indenture (including obligations to the Trustee and the Collateral Agent) and the Securities, whether for payment of principal of, premium, if any, or interest on the Securities and all other monetary obligations of the Issuer under this Indenture and the Securities and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Issuer whether for fees, expenses, indemnification or otherwise under this Indenture and the Securities (the foregoing obligations set forth in clauses (i) through (ii) being hereinafter collectively called the "Guaranteed Obligations"). Each Subsidiary Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Subsidiary Guarantor, and that each such Subsidiary Guarantor shall remain bound under this Article 12 notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Subsidiary Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Subsidiary Guarantor waives notice of any default under the Securities or the Guaranteed Obligations. The obligations of each Subsidiary Guarantor hereunder shall not be affected by (i) the failure of any Holder, the Trustee or the Collateral Agent to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Securities or any other agreement or otherwise; (ii) any extension or renewal of this Indenture, the Securities or any other agreement; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities or any other agreement; (iv) the release of any security held by the Collateral Agent on behalf of each Holder and the Trustee for the Guaranteed Obligations or any Subsidiary Guarantor; (v) the failure of any Holder, the Trustee or the Collateral Agent to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of such Subsidiary Guarantor, except as provided in Section 12.02(b).

(c) Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Subsidiary Guarantors, such that such Subsidiary Guarantor's obligations would be less than the full amount claimed. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have the assets of the Issuer first be used and depleted as payment of the Issuer's or such Subsidiary Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Subsidiary Guarantor hereunder. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against such Subsidiary Guarantor.

(d) Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder, the Trustee or the Collateral Agent to any security held for payment of the Guaranteed Obligations.

(e) The Subsidiary Guarantee of each Subsidiary Guarantor is, to the extent and in the manner set forth in Article 12, equal in right of payment to all existing and future Pari Passu Indebtedness and senior in right of payment to all existing and future Subordinated Indebtedness of such Subsidiary Guarantor and is made subject to such provisions of this Indenture.

(f) Except as expressly set forth in Sections 8.01(b), 12.02 and 12.06, the obligations of each Subsidiary Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Subsidiary Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder, the Trustee or the Collateral Agent to assert any claim or demand or to enforce any remedy under this Indenture, the Securities or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Subsidiary Guarantor or would otherwise operate as a discharge of any Subsidiary Guarantor as a matter of law or equity.

(g) Each Subsidiary Guarantor agrees that its Subsidiary Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder, the Trustee or the Collateral Agent upon the bankruptcy or reorganization of the Issuer or otherwise.

(h) In furtherance of the foregoing and not in limitation of any other right which any Holder, the Trustee or the Collateral Agent has at law or in equity against any Subsidiary Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Subsidiary Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Issuer to the Trustee.

(i) Each Subsidiary Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Trustee in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Subsidiary Guarantor further agrees that, as between it, on the one hand, and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of any Subsidiary Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Subsidiary Guarantor for the purposes of this Section 12.01.

(j) Each Subsidiary Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Collateral Agent, the Trustee or any Holder in enforcing any rights under this Section 12.01.

(k) Upon request of the Trustee, each Subsidiary Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 12.02. Limitation on Liability.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Subsidiary Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) A Subsidiary Guarantee as to any Subsidiary Guarantor shall terminate and be of no further force or effect and such Subsidiary Guarantor shall be deemed to be released from all obligations under this Article 12 upon:

(i) the sale, disposition or other transfer (including through merger or consolidation) of all the Capital Stock (including any sale, disposition or other transfer following which the applicable Subsidiary Guarantor is no longer a Restricted Subsidiary) of the applicable Subsidiary Guarantor if such sale, disposition or other transfer is made in compliance with this Indenture,

(ii) the Issuer designating such Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the provisions set forth under the definition of "Unrestricted Subsidiary,"

(iii) in the case of any Restricted Subsidiary that after the Issue Date is required to guarantee the Securities pursuant to Section 4.11, the release or discharge of the guarantee by such Restricted Subsidiary of Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer or such Restricted Subsidiary or the repayment of the Indebtedness, in each case, which resulted in the obligation to guarantee the Securities, and

(iv) the Issuer's exercise of its defeasance option under Article 8, or if the Issuer's obligations under this Indenture are discharged in accordance with the terms of this Indenture.

In the case of clause (b)(i) above, such Subsidiary Guarantor shall be released from its guarantees, if any, of, and all pledges and security, if any, granted in connection with, the Credit Agreements and any other Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer.

A Subsidiary Guarantee also shall be automatically released upon (i) the applicable Subsidiary ceasing to be a Subsidiary as a result of any foreclosure of any pledge or security interest securing First Priority Lien Obligations, subject to, in each case, the application of the proceeds of such foreclosure in the manner set forth in the Security Documents or the Intercreditor Agreements or (ii) if such Subsidiary is released from its guarantees of, and all pledges and security interests granted in connection with, the Credit Agreements and any other Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer which results in the obligation to guarantee the Securities; *provided*, that in the case of clause (ii) above, the Issuer has obtained ratings from at least two Rating Agencies that reflect an Investment Grade Rating (x) for the corporate rating of the Issuer and (y) for the Securities after given effect to the proposed release of guarantees and security interests.

SECTION 12.03. Successors and Assigns. This Article 12 shall be binding upon each Subsidiary Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Collateral Agent, the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder, the Trustee or the Collateral Agent, the rights and privileges conferred upon that party in this Indenture and in the Securities shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 12.04. No Waiver. Neither a failure nor a delay on the part of either the Trustee, the Collateral Agent or the Holders in exercising any right, power or privilege under this Article 12 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee, the Collateral Agent and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 12 at law, in equity, by statute or otherwise.

SECTION 12.05. Modification. No modification, amendment or waiver of any provision of this Article 12, nor the consent to any departure by any Subsidiary Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Subsidiary Guarantor in any case shall entitle such Subsidiary Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 12.06. Execution of Supplemental Indenture for Future Subsidiary Guarantors. Each Subsidiary and other Person which is required to become a Subsidiary Guarantor pursuant to Section 4.11 or the first sentence of Section 12.01 shall promptly execute and deliver to the Trustee a supplemental indenture, substantially in the form of Exhibit D pursuant to which such Subsidiary or other Person shall become a Subsidiary Guarantor under this Article 12 and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such supplemental indenture, the Issuer shall deliver to the Trustee an Opinion of Counsel and an Officers' Certificate to the effect that such supplemental indenture has been duly authorized, executed and delivered by such Subsidiary or other Person and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Subsidiary Guarantee of such Subsidiary Guarantor is a valid and binding obligation of such Subsidiary Guarantor, enforceable against such Subsidiary Guarantor in accordance with its terms and/or to such other matters as the Trustee may reasonably request.

SECTION 12.07. Non-Impairment. The failure to endorse a Subsidiary Guarantee on any Security shall not affect or impair the validity thereof.

ARTICLE 14

PARENT GUARANTEE

SECTION 14.01. Parent Guarantee.

(a) The Parent Guarantor will hereby irrevocably and unconditionally guarantee on a senior basis, as a primary obligor and not merely as a surety, to each Holder, the Trustee, the Collateral Agent and their successors and assigns the Guaranteed Obligations. The Parent Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from the Parent Guarantor, and that no extension or renewal of any Guaranteed Obligation shall release the obligations of the Parent Guarantor hereunder. The obligations of the Parent Guarantor hereunder shall be joint and several with the Subsidiary Guarantees of the Subsidiary Guarantors. The Parent Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. The Parent Guarantor waives notice of any default under the Securities or the Guaranteed Obligations. The obligations of the Parent Guarantor hereunder shall not be affected by (i) the failure of any Holder, the Trustee or the Collateral Agent to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Securities or any other agreement or otherwise; (ii) any extension or renewal of this Indenture, the Securities or any other agreement; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities or any other agreement; (iv) the release of any security held by the Collateral Agent on behalf of each Holder and the Trustee for the Guaranteed Obligations or any Subsidiary Guarantor; or (v) the failure of any Holder, the Trustee or the Collateral Agent to exercise any right or remedy against any other guarantor of the Guaranteed Obligations. The Parent Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among itself and the Subsidiary Guarantors, such that the Parent Guarantor's obligations would be less than the full amount claimed. The Parent Guarantor hereby waives any right to which it may be entitled to have the assets of the Issuer first be used and depleted as payment of the Issuer's or the Parent Guarantor's obligations hereunder prior to any amounts being claimed from or paid by the Parent Guarantor hereunder. The Parent Guarantor hereby waives any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against the Parent Guarantor. The Parent Guarantor further agrees that its Parent Guarantee constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder, the Trustee or the Collateral Agent to any security held for payment of the Guaranteed Obligations.

(b) The Parent Guarantee of the Parent Guarantor is, to the extent and in the manner set forth herein, equal in right of payment to all existing and future Parent Pari Passu Indebtedness and senior in right of payment to all existing and future Parent Subordinated Indebtedness and is made subject to such provisions of this Indenture.

(c) Except as expressly set forth in Section 8.01(b) of this Indenture, the obligations of the Parent Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of the Parent Guarantor shall not be discharged or impaired or otherwise affected by the failure of any Holder, the Trustee or the Collateral Agent to assert any claim or demand or to enforce any remedy under this Indenture, the Securities or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of the Parent Guarantor or would otherwise operate as a discharge of the Parent Guarantor as a matter of law or equity.

(d) The Parent Guarantor agrees that its Parent Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. The Parent Guarantor further agrees that its Parent Guarantee shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder, the Trustee or the Collateral Agent upon the bankruptcy or reorganization of the Issuer or otherwise.

(e) In furtherance of the foregoing and not in limitation of any other right which any Holder, the Trustee or the Collateral Agent has at law or in equity against the Parent Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, the Parent Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Issuer to the Trustee.

(f) The Parent Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Trustee in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. The Parent Guarantor further agrees that, as between it, on the one hand, and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of the Parent Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Parent Guarantor for the purposes of this Section 14.01.

(g) The Parent Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Collateral Agent, the Trustee or any Holder in enforcing any rights under this Section 14.01.

(h) Upon request of the Trustee, the Parent Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Section 14.01.

(i) For the avoidance of doubt, the Parent Guarantor will not be subject to any of the restrictive covenants contained in this Indenture or any of the other obligations or agreements of a Subsidiary Guarantor hereunder.

SECTION 14.02. Successors and Assigns. This Article 14 shall be binding upon the Parent Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee, the Collateral Agent and the Holders and, in the event of any transfer or assignment of rights by any Holder, the Trustee or the Collateral Agent, the rights and privileges conferred upon that party in this Article 14 and in the Securities shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 14.03. No Waiver. Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Indenture shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders in this Indenture expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 14 at law, in equity, by statute or otherwise.

SECTION 14.04. Modification. No modification, amendment or waiver of any provision of this Article 14, nor the consent to any departure by the Parent Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Parent Guarantor in any case shall entitle the Parent Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 14.05. Non-Impairment. The failure to endorse the Parent Guarantee provided for herein on any Security shall not affect or impair the validity thereof.

Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Securities pursuant to the instructions from the Holder thereof.

(iv) Unrestricted Definitive Securities to Transfer Restricted Securities. An Unrestricted Definitive Security cannot be exchanged for, or transferred to a Person who takes delivery thereof in the form of, a Transfer Restricted Security.

At such time as all beneficial interests in a particular Global Security have been exchanged for Definitive Securities or a particular Global Security has been redeemed, repurchased or canceled in whole and not in part, each such Global Security shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11. At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security or for Definitive Securities, the principal amount of Securities represented by such Global Security shall be reduced accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security, such other Global Security shall be increased accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(f) Legend.

(i) Except as permitted by the following paragraph (ii), (iii) or (iv), each Security certificate evidencing the Global Securities and the Definitive Securities (and all Securities issued in exchange therefor or in substitution thereof) shall bear a legend in substantially the following form (each defined term in the legend being defined as such for purposes of the legend only):

“THIS NOTE HAS NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933 (THE “SECURITIES ACT”) AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT (A)(1) TO A PERSON WHO THE SELLER REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QUALIFIED INSTITUTIONAL BUYER IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A, (2) IN AN OFFSHORE TRANSACTION COMPLYING WITH RULE 903 OR RULE 904 OF REGULATION S UNDER THE SECURITIES ACT, (3) PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT PROVIDED BY RULE 144 THEREUNDER (IF AVAILABLE), (4) TO AN INSTITUTIONAL INVESTOR THAT IS AN ACCREDITED INVESTOR WITHIN THE MEANING OF RULE 501 OF REGULATION D UNDER THE SECURITIES ACT IN A TRANSACTION EXEMPT FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT OR (5) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT AND (B) IN ACCORDANCE WITH THE APPLICABLE SECURITIES LAWS OF THE STATES OF THE UNITED STATES AND OTHER JURISDICTIONS.”

Each Definitive Security shall bear the following additional legends:

“IN CONNECTION WITH ANY TRANSFER, THE HOLDER WILL DELIVER TO THE REGISTRAR SUCH CERTIFICATES AND OTHER INFORMATION AS SUCH REGISTRAR MAY REASONABLY REQUIRE TO CONFIRM THAT THE TRANSFER COMPLIES WITH THE FOREGOING RESTRICTIONS.”

“THIS NOTE (OR ITS PREDECESSOR) WAS ORIGINALLY ISSUED IN A TRANSACTION ORIGINALLY EXEMPT FROM REGISTRATION UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), AND MAY NOT BE TRANSFERRED IN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, ANY U.S. PERSON EXCEPT PURSUANT TO AN AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND ALL APPLICABLE STATE SECURITIES LAWS. TERMS USED ABOVE HAVE THE MEANINGS GIVEN TO THEM IN REGULATION S UNDER THE SECURITIES ACT.”

(ii) Upon any sale or transfer of a Transfer Restricted Security that is a Definitive Security, the Registrar shall permit the Holder thereof to exchange such Transfer Restricted Security for a Definitive Security that does not bear the legends set forth above and rescind any restriction on the transfer of such Transfer Restricted Security if the Holder certifies in writing to the Registrar that its request for such exchange was made in reliance on Rule 144 (such certification to be in the form set forth on the reverse of the Security).

(iii) After a transfer of any Original Securities during the period of the effectiveness of a shelf registration statement under the Securities Act with respect to such Original Securities, all requirements pertaining to the Restricted Securities Legend on such Original Securities shall cease to apply and the requirements that any such Original Securities be issued in global form shall continue to apply.

(iv) Upon the consummation of a Registered Exchange Offer with respect to the Original Securities pursuant to which Holders of such Original Securities are offered Exchange Securities in exchange for their Original Securities, all requirements pertaining to Original Securities that Original Securities be issued in global form shall continue to apply, and Exchange Securities in global form without the Restricted Securities Legend shall be available to Holders that exchange such Original Securities in such Registered Exchange Offer.

(v) Upon a sale or transfer after the expiration of the Restricted Period of any Security acquired pursuant to Regulation S, all requirements that such Security bear the Restricted Securities Legend shall cease to apply and the requirements requiring any such Security be issued in global form shall continue to apply.

(vi) Any Additional Securities sold in a registered offering shall not be required to bear the Restricted Securities Legend.

(g) Cancellation or Adjustment of Global Security. At such time as all beneficial interests in a particular Global Security have been exchanged for Definitive Securities or a particular Global Security has been redeemed, repurchased or canceled in whole and not in part, each such Global Security shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11 of this Indenture. At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security or for Definitive Securities, the principal amount of Securities represented by such Global Security shall be reduced accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security, such other Global Security shall be increased accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(h) Obligations with Respect to Transfers and Exchanges of Securities.

(i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate, Definitive Securities and Global Securities at the Registrar's request.

(ii) No service charge shall be made for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax, assessments, or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charge payable upon exchanges pursuant to Sections 3.06, 4.08 and 9.05 of this Indenture).

(iii) Prior to the due presentation for registration of transfer of any Security, the Issuer, the Trustee, a Paying Agent or the Registrar may deem and treat the person in whose name a Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest on such Security and for all other purposes whatsoever, whether or not such Security is overdue, and none of the Issuer, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

(iv) All Securities issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Securities surrendered upon such transfer or exchange.

(i) No Obligation of the Trustee.

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Security, a member of, or a participant in the Depository or any other Person with respect to the accuracy of the records of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Securities or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of redemption or repurchase) or the payment of any amount, under or with respect to such Securities. All notices and communications to be given to the Holders and all payments to be made to the Holders under the Securities shall be given or made only to the registered Holders (which shall be the Depository or its nominee in the case of a Global Security). The rights of beneficial owners in any Global Security shall be exercised only through the Depository subject to the applicable rules and procedures of the Depository. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its members, participants and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Security (including any transfers between or among the Depository participants, members or beneficial owners in any Global Security) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

1.57% First Priority Senior Secured Notes due 2026

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. Interest

(a) BERRY GLOBAL, INC., a Delaware corporation (the “Company”) promises to pay interest on the principal amount of this Security at the rate per annum shown above. The Company shall pay interest semiannually on January 15 and July 15 of each year, commencing July 15, 2021.² Interest on Securities shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from December 22, 2020³ until the principal hereof is due. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Company shall pay interest on overdue principal at the rate borne by the Securities, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

(b) Registration Rights Agreement. The Holder of this Security shall be entitled to the benefits of a Registration Rights Agreement, dated as of December 22, 2020, among the Company, the guarantors party thereto and the Representatives.

2. Method of Payment

The Company shall pay interest on the Securities (except defaulted interest) to the Persons who are registered Holders at the close of business on the January 1 or July 1 next preceding the interest payment date even if Securities are canceled after the record date and on or before the interest payment date (whether or not a Business Day). Holders must surrender the Securities to the Paying Agent to collect principal payments. The Company shall pay principal, premium, if any, and interest in Dollars. Payments in respect of the Securities represented by a Global Security (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by DTC or any successor depository. The Company shall make all payments in respect of a certificated Security (including principal, premium, if any, and interest) at the office of the Paying Agent, except that, at the option of the Company, payment of interest may be made by mailing a check to the registered address of each Holder thereof; *provided, however*, that payments on the Security may also be made, in the case of a Holder of at least \$1,000,000 aggregate principal amount of Securities, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. Paying Agent and Registrar

Initially, U.S. Bank National Association, a national banking association (the “Trustee”), will act as paying agent (the “Paying Agent”) and registrar (the “Registrar”). The Company may appoint and change any Paying Agent or Registrar without notice. The Company or any of its domestically incorporated Wholly Owned Subsidiaries may act as Paying Agent or Registrar.

4. Indenture

The Company issued the Securities under an Indenture dated as of December 22, 2020 (the “Indenture”), among the Company, the guarantors party thereto, the Trustee and U.S. Bank National Association, as collateral agent (in such capacity, the “Collateral Agent”). The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa-77bbb) as in effect on the date of the Indenture (the “TIA”). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Securities are subject to all terms and provisions of the Indenture, and the Holders are referred to the Indenture and the TIA for a statement of such terms and provisions.

² Note: With respect to the Original Securities.

³ Note: With respect to the Original Securities.

The Securities are senior obligations of the Company. This Security is one of the Original Securities referred to in the Indenture. The Securities include the Original Securities, any Additional Securities and any Exchange Securities pursuant to the Indenture. The Original Securities, any Additional Securities and any Exchange Securities are treated as a single class of securities under the Indenture. The Indenture imposes certain limitations on the ability of the Company and its Restricted Subsidiaries to, among other things, create or incur Liens. The Indenture also imposes limitations on the ability of the Company and each Subsidiary Guarantor to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all of its property.

To guarantee the due and punctual payment of the principal and interest on the Securities and all other amounts payable by the Company under the Indenture and the Securities when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Securities and the Indenture, the Subsidiary Guarantors and the Parent Guarantor will jointly and severally, unconditionally guarantee the Guaranteed Obligations pursuant to the terms of the Indenture.

5. Optional Redemption

Prior to December 15, 2020 (the date that is one month prior to the maturity date) (“the Par Call Date”), the Securities will be redeemable, in whole or in part, at the Company’s option, at any time or from time to time, on at least 30 days’ but not more than 60 days’ prior notice to the holders of the Securities to be redeemed, at a redemption price equal to the greater of (i) 100% of the principal amount of the Securities redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the Securities being redeemed (assuming that such Securities matured on the Par Call Date), exclusive of interest accrued to, but not including, the redemption date, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at a rate equal to the sum of the applicable Treasury Rate plus 20 basis points (any amount described in the foregoing clause (ii) over the amount described in the foregoing clause (i), the “Make-Whole Premium”). On or after the Par Call Date, the Securities will be redeemable, in whole or in part, at the Company’s option, at any time or from time to time, on at least 15 days’ but not more than 60 days’ prior notice to the holders the Securities to be redeemed, at a redemption price equal to 100% of the principal amount thereof.

Any redemption or notice described above may, at the Company’s discretion, be subject to one or more conditions precedent.

6. Sinking Fund

The Securities are not subject to any sinking fund.

7. Notice of Redemption

Notice of redemption pursuant to paragraph 5 above will be mailed by first-class mail or sent electronically at least the amount of day set forth in paragraph 5 above before the redemption date to each Holder of Securities to be redeemed at his, her or its registered address. Securities in denominations larger than \$2,000 may be redeemed in part but only in whole multiples of \$1,000. If money sufficient to pay the redemption price of and accrued and unpaid interest on all Securities (or portions thereof) to be redeemed on the redemption date is deposited with a Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date, interest ceases to accrue on such Securities (or such portions thereof) called for redemption.

8. Reserved.

9. Repurchase of Securities at the Option of the Holders upon Change of Control Triggering Event

Upon the occurrence of a Change of Control Triggering Event, each Holder shall have the right, subject to certain conditions specified in the Indenture, to cause the Company to repurchase all or any part of such Holder’s Securities at a purchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to the date of repurchase (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), as provided in, and subject to the terms of, the Indenture.

10. Ranking and Collateral

The Securities and the Subsidiary Guarantees will be secured by a first-priority security interest in the Collateral pursuant to certain Security Documents. The First Priority Liens upon any and all Collateral will be, to the extent and in the manner provided in the Intercreditor Agreements, of equal in ranking to all present and future first priority Liens and will be of senior ranking with all present and future Liens securing second priority lien obligations (including, without limitation, any Other Second-Lien Obligations) as set forth in the Intercreditor Agreements. The Parent Guarantee will be, to the extent and in the manner set forth in the Indenture, equal in right of payment to all existing and future Parent Pari Passu Indebtedness and senior in right of payment to all existing and future Parent Subordinated Indebtedness.

11. Denominations; Transfer; Exchange

The Securities are in registered form, without coupons, in denominations of \$2,000 and any integral multiple of \$1,000. A Holder shall register the transfer of or exchange of Securities in accordance with the Indenture. Upon any registration of transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Securities selected for redemption (except, in the case of a Security to be redeemed in part, the portion of the Security not to be redeemed) or to transfer or exchange any Securities for a period of 15 days prior to the mailing of a notice of redemption of Securities to be redeemed.

12. Persons Deemed Owners

The registered Holder of this Security shall be treated as the owner of it for all purposes.

13. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee and a Paying Agent shall pay the money back to the Company at their written request unless an abandoned property law designates another Person. After any such payment, the Holders entitled to the money must look to the Company for payment as general creditors and the Trustee and a Paying Agent shall have no further liability with respect to such monies.

14. Discharge and Defeasance

Subject to certain conditions and as set forth in the Indenture, the Company at any time may terminate some of or all of its obligations under the Securities and the Indenture if the Company deposits with the Trustee money or U.S. Government Obligations deemed sufficient in the opinion of a national recognized firm of public accountants for the payment of principal and interest on the Securities to redemption or maturity, as the case may be.

15. Amendment; Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture, the Security Documents, the Intercreditor Agreements or the Securities may be amended with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities (voting as a single class) and (ii) any past default or compliance with any provisions may be waived with the written consent of the Holders of at least a majority in principal amount of the outstanding Securities. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Company and the Trustee may amend the Indenture, Security Documents, the Intercreditor Agreements or the Securities (i) to cure any ambiguity, omission, defect or inconsistency; (ii) to provide for the assumption by a Successor Company of the obligations of the Company under the Indenture and the Securities; (iii) to provide for uncertificated Securities in addition to or in place of certificated Securities (*provided* that the uncertificated Securities are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Securities are described in Section 163(f)(2)(B) of the Code); (iv) to add a Subsidiary Guarantee with respect to the Securities or to secure the Securities; (v) to add additional assets as Collateral; (vi) to release Collateral from the Lien or subordinate such Lien (or conform the subordination of such Lien) pursuant to the Security Documents when permitted or required by the Indenture, the Security Documents or the Intercreditor Agreements, (vii) to add additional covenants of the Company for the benefit of the Holders or to surrender rights and powers conferred on the Company; (viii) to modify the Security Documents and/or any Intercreditor Agreements, to secure other First Priority Lien Obligations and/or Other Second-Lien Obligations of the Issuer or any Subsidiary Guarantor so long as such other First Priority Lien Obligations and Other Second-Lien Obligations are not prohibited by the provisions of the Credit Agreements, the Existing Second Priority Notes Indentures, the Indenture, the First Priority Euro Notes Indenture or the First Priority Dollar Notes Indenture, (ix) to make any change that does not adversely affect the rights of any Holder; (x) to effect any provision of this Indenture or to make certain changes to this Indenture to provide for the issuance of Additional Securities; (xi) to provide for the issuance of Additional Securities, which shall have terms substantially identical in all material respects to the Original Securities, and which shall be treated, together with any outstanding Original Securities, as a single issue of securities; (xii) to comply with the requirements of the SEC in order to effect or maintain qualification of the Indenture under the TIA or (xiii) to conform the text of the Indenture or the Securities to any provision of the "Description of First Priority Notes" section of the Offering Memorandum to the extent that such a provision in the "Description of First Priority Notes" section of the Offering Memorandum was intended to be a verbatim recitation of a provision of the Indenture or the Securities.

16. Defaults and Remedies

If an Event of Default occurs (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company) and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding Securities by notice to the Company, may declare the principal of, premium, if any, and accrued but unpaid interest on all the Securities to be due and payable; *provided, however*, that so long as any Bank Indebtedness remains outstanding, no such acceleration shall be effective until the earlier of (i) five (5) Business Days after the giving of written notice to the Issuer and the Representatives under the Credit Agreements and (ii) the day on which any Bank Indebtedness is accelerated. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company occurs, the principal of, premium, if any, and interest on all the Securities shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding Securities may rescind any such acceleration with respect to the Securities and its consequences.

If an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense and certain other conditions are complied with. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to the Indenture or the Securities unless (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing, (ii) the Holders of at least 25% in principal amount of the outstanding Securities have requested the Trustee to pursue the remedy, (iii) such Holders have offered the Trustee security or indemnity satisfactory to it against any loss, liability or expense, (iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity and (v) the Holders of a majority in principal amount of the outstanding Securities have not given the Trustee a direction inconsistent with such request within such 60-day period. Subject to certain restrictions, the Holders of a majority in principal amount of the outstanding Securities are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under the Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

17. Trustee Dealings with the Company.

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

18. No Recourse Against Others

No director, officer, employee, incorporator or holder of any equity interests in the Company or any direct or indirect parent corporation, as such, shall have any liability for any obligations of the Company under the Securities, the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Securities by accepting a Security waives and releases all such liability.

19. Authentication

This Security shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Security.

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

21. Governing Law

THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

22. CUSIP Numbers; ISINs

The Company has caused CUSIP numbers and ISINs to be printed on the Securities and has directed the Trustee to use CUSIP numbers and ISINs in notices of redemption as a convenience to the Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Company will furnish to any Holder of Securities upon written request and without charge to the Holder a copy of the Indenture which has in it the text of this Security.

[FORM OF REVERSE SIDE OF EXCHANGE SECURITY]

1.57% First Priority Senior Secured Notes due 2026

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. Interest

BERRY GLOBAL, INC., a Delaware corporation (the “Company”) promises to pay interest on the principal amount of this Security at the rate per annum shown above. The Company shall pay interest semiannually on January 15 and July 15 of each year, commencing July 15, 2021.⁵ Interest on the Securities shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from December 22, 2020⁶ until the principal hereof is due. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Company shall pay interest on overdue principal at the rate borne by the Securities, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

2. Method of Payment

The Company shall pay interest on the Securities (except defaulted interest) to the Persons who are registered Holders at the close of business on the January 1 or July 1 next preceding the interest payment date even if Securities are canceled after the record date and on or before the interest payment date (whether or not a Business Day). Holders must surrender Securities to the Paying Agent to collect principal payments. The Company shall pay principal, premium, if any, and interest in Dollars. Payments in respect of the Securities represented by a Global Security (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by the Depository Trust Company or any successor depository. The Company shall make all payments in respect of a certificated Security (including principal, premium, if any, and interest) at the office of the Paying Agent, except that, at the option of the Company, payment of interest may be made by mailing a check to the registered address of each Holder thereof; provided, however, that payments on the Securities may also be made, in the case of a Holder of at least \$1,000,000 aggregate principal amount of Securities, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. Paying Agent, Transfer Agent and Registrar

Initially, U.S. Bank National Association, a national banking association (the “Trustee”) will act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent or Registrar without notice. The Company or any of its domestically incorporated Wholly Owned Subsidiaries may act as Paying Agent or Registrar.

4. Indenture

The Company issued the Securities under an Indenture dated as of December 22, 2020 (the “Indenture”), among the Company, the guarantors party thereto, the Trustee and U.S. Bank National Association, as collateral agent (in such capacity, the “Collateral Agent”). The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa 77bbb) as in effect on the date of the Indenture (the “TIA”). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Securities are subject to all terms and provisions of the Indenture, and the Holders are referred to the Indenture and the TIA for a statement of such terms and provisions.

The Securities are senior obligations of the Company. This Security is one of the Original Securities referred to in the Indenture. The Securities include the Original Securities, any Additional Securities and any Exchange Securities issued in exchange for Original Securities or Additional Securities pursuant to the Indenture. The Original Securities and any Additional Securities are treated as a single class of securities under the Indenture. The Indenture imposes certain limitations on the ability of the Company and its Restricted Subsidiaries to, among other things, create or incur Liens. The Indenture also imposes limitations on the ability of the Company and each Subsidiary Guarantor to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all of its property.

To guarantee the due and punctual payment of the principal and interest on the Securities and all other amounts payable by the Company under the Indenture and the Securities when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Securities and the Indenture, the Subsidiary Guarantors and the Parent Guarantor will jointly and severally, unconditionally guarantee the Guaranteed Obligations pursuant to the terms of the Indenture.

5. Optional Redemption

Prior to December 15, 2020 (the date that is one month prior to the maturity date) (“the Par Call Date”), the Securities will be redeemable, in whole or in part, at the Company’s option, at any time or from time to time, on at least 30 days’ but not more than 60 days’ prior notice to the holders of the Securities to be redeemed, at a redemption price equal to the greater of (i) 100% of the principal amount of the Securities redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the Securities being redeemed (assuming that such Securities matured on the Par Call Date), exclusive of interest accrued to, but not including, the redemption date, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at a rate equal to the sum of the applicable Treasury Rate plus 20 basis points (any amount described in the foregoing clause (ii) over the amount described in the foregoing clause (i), the “Make-Whole Premium”). On or after the Par Call Date, the Securities will be redeemable, in whole or in part, at the Company’s option, at any time or from time to time, on at least 15 days’ but not more than 60 days’ prior notice to the holders the Securities to be redeemed, at a redemption price equal to 100% of the principal amount thereof.

Any redemption or notice described above may, at the Company’s discretion, be subject to one or more conditions precedent.

6. Sinking Fund

The Securities are not subject to any sinking fund.

7. Notice of Redemption

Notice of redemption pursuant to paragraph 5 above will be mailed by first-class mail or sent electronically at least the amount of days set forth in paragraph 5 above before the redemption date to each Holder of Securities to be redeemed at his, her or its registered address. Securities in denominations larger than \$2,000 may be redeemed in part but only in whole multiples of \$1,000. If money sufficient to pay the redemption price of and accrued and unpaid interest on all Securities (or portions thereof) to be redeemed on the redemption date is deposited with a Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date, interest ceases to accrue on such Securities (or such portions thereof) called for redemption.

9. Repurchase of Securities at the Option of the Holders upon Change of Control Triggering Event

Upon the occurrence of a Change of Control Triggering Event, each Holder shall have the right, subject to certain conditions specified in the Indenture, to cause the Company to repurchase all or any part of such Holder’s Securities at a purchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to the date of repurchase (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), as provided in, and subject to the terms of, the Indenture.

10. Ranking and Collateral

The Securities and the Subsidiary Guarantees will be secured by a first-priority security interest in the Collateral pursuant to certain Security Documents. The First Priority Liens upon any and all Collateral will be, to the extent and in the manner provided in the Intercreditor Agreements, of equal in ranking to all present and future first priority Liens and will be of senior ranking with all present and future Liens securing second priority lien obligations (including, without limitation, any Other Second-Lien Obligations) as set forth in the Intercreditor Agreements. The Parent Guarantee will be, to the extent and in the manner set forth in the Indenture, equal in right of payment to all existing and future Parent Pari Passu Indebtedness and senior in right of payment to all existing and future Parent Subordinated Indebtedness.

11. Denominations; Transfer; Exchange

The Securities are in registered form, without coupons, in denominations of \$2,000 and any integral multiple of \$1,000. A Holder shall register the transfer of or exchange of Securities in accordance with the Indenture. Upon any registration of transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Securities selected for redemption (except, in the case of a Security to be redeemed in part, the portion of the Security not to be redeemed) or to transfer or exchange any Securities for a period of 15 days prior to the mailing of a notice of redemption of Securities to be redeemed.

12. Persons Deemed Owners

The registered Holder of this Security shall be treated as the owner of it for all purposes.

13. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee and a Paying Agent shall pay the money back to the Company at their written request unless an abandoned property law designates another Person. After any such payment, the Holders entitled to the money must look to the Company for payment as general creditors and the Trustee and a Paying Agent shall have no further liability with respect to such monies.

14. Discharge and Defeasance

Subject to certain conditions and as set forth in the Indenture, the Company at any time may terminate some of or all of its obligations under the Securities and the Indenture if the Company deposits with the Trustee money or U.S. Government Obligations deemed sufficient in the opinion of a national recognized firm of public accountants for the payment of principal and interest on the Securities to redemption or maturity, as the case may be.

15. Amendment; Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture, the Security Documents, the Intercreditor Agreements or the Securities may be amended with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities (voting as a single class) and (ii) any past default or compliance with any provisions may be waived with the written consent of the Holders of at least a majority in principal amount of the outstanding Securities. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Company and the Trustee may amend the Indenture, Security Documents, the Intercreditor Agreements or the Securities (i) to cure any ambiguity, omission, defect or inconsistency; (ii) to provide for the assumption by a Successor Company of the obligations of the Company under the Indenture and the Securities; (iii) to provide for uncertificated Securities in addition to or in place of certificated Securities (*provided* that the uncertificated Securities are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Securities are described in Section 163(f)(2)(B) of the Code); (iv) to add a Subsidiary Guarantee with respect to the Securities or to secure the Securities; (v) to add additional assets as Collateral; (vi) to release Collateral from the Lien or subordinate such Lien (or conform the subordination of such Lien) pursuant to the Security Documents when permitted or required by the Indenture, the Security Documents or the Intercreditor Agreements, (vii) to add additional covenants of the Company for the benefit of the Holders or to surrender rights and powers conferred on the Company; (viii) to modify the Security Documents and/or any Intercreditor Agreements, to secure other First Priority Lien Obligations and/or Other Second-Lien Obligations of the Issuer or any Subsidiary Guarantor so long as such other First Priority Lien Obligations and Other Second-Lien Obligations are not prohibited by the provisions of the Credit Agreements, the Existing Second Priority Notes Indentures, the Indenture, the First Priority Euro Notes Indenture or the First Priority Dollar Notes Indenture, (ix) to make any change that does not adversely affect the rights of any Holder; (x) to effect any provision of this Indenture or to make certain changes to this Indenture to provide for the issuance of Additional Securities; (xi) to provide for the issuance of Additional Securities, which shall have terms substantially identical in all material respects to the Original Securities, and which shall be treated, together with any outstanding Original Securities, as a single issue of securities; (xii) to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA or (xiii) to conform the text of the Indenture or the Securities to any provision of the "Description of First Priority Notes" section of the Offering Memorandum to the extent that such a provision in the "Description of First Priority Notes" section of the Offering Memorandum was intended to be a verbatim recitation of a provision of the Indenture or the Securities.

16. Defaults and Remedies

If an Event of Default occurs (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company) and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding Securities by notice to the Company, may declare the principal of, premium, if any, and accrued but unpaid interest on all the Securities to be due and payable; *provided, however*, that so long as any Bank Indebtedness remains outstanding, no such acceleration shall be effective until the earlier of (i) five (5) Business Days after the giving of written notice to the Issuer and the Representatives under the Credit Agreements and (ii) the day on which any Bank Indebtedness is accelerated. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company occurs, the principal of, premium, if any, and interest on all the Securities shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding Securities may rescind any such acceleration with respect to the Securities and its consequences.

If an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense and certain other conditions are complied with. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to the Indenture or the Securities unless (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing, (ii) the Holders of at least 25% in principal amount of the outstanding Securities have requested the Trustee to pursue the remedy, (iii) such Holders have offered the Trustee security or indemnity satisfactory to it against any loss, liability or expense, (iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity and (v) the Holders of a majority in principal amount of the outstanding Securities have not given the Trustee a direction inconsistent with such request within such 60-day period. Subject to certain restrictions, the Holders of a majority in principal amount of the outstanding Securities are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under the Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

17. Trustee Dealings with the Company

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

18. No Recourse Against Others

No director, officer, employee, incorporator or holder of any equity interests in the Company or any direct or indirect parent corporation, as such, shall have any liability for any obligations of the Company under the Securities, the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Securities by accepting a Security waives and releases all such liability.

19. Authentication

This Security shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Security.

20. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

21. Governing Law

THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

22. CUSIP Numbers; ISINs

The Company has caused CUSIP numbers and ISINs to be printed on the Securities and has directed the Trustee to use CUSIP numbers and ISINs in notices of redemption as a convenience to the Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Company will furnish to any Holder of Securities upon written request and without charge to the Holder a copy of the Indenture which has in it the text of this Security.

(a) *Transfer Restricted Securities.* The securities entitled to the benefits of this Agreement are the Transfer Restricted Securities.

(b) *Holders of Transfer Restricted Securities.* A Person is deemed to be a holder of Transfer Restricted Securities (each, a “Holder”) whenever such Person owns Transfer Restricted Securities.

SECTION 3. *Registered Exchange Offer.*

(a) Unless the Exchange Offer shall not be permissible under applicable law or Commission policy, each of the Issuer and the Guarantors shall (i) use its commercially reasonable efforts to cause to be filed with the Commission the Exchange Offer Registration Statement within 270 days after the Closing Date (as defined in the Purchase Agreement) (or if such 270th day is not a Business Day, the next succeeding Business Day), (ii) use its commercially reasonable efforts to cause such Registration Statement to become effective as promptly as possible (unless it becomes effective automatically upon filing), but in no event later than 365 days after the Closing Date (or if such 365th day is not a Business Day, the next succeeding Business Day), (iii) in connection with the foregoing, file (A) all pre-effective amendments to such Registration Statement as may be necessary in order to cause such Registration Statement to become effective, (B) if applicable, a post-effective amendment to such Registration Statement pursuant to Rule 430A under the Securities Act and (C) cause all necessary filings in connection with the registration and qualification of the Exchange Securities to be made under the state securities or blue sky laws of such jurisdictions as are necessary to permit Consummation of the Exchange Offer, and (iv) upon the effectiveness of such Registration Statement, commence the Exchange Offer. The Exchange Offer Registration Statement shall be on the appropriate form permitting registration of the Exchange Securities to be offered in exchange for the Transfer Restricted Securities and to permit resales of Initial Securities held by Broker-Dealers as contemplated by Section 3(c) hereof.

(b) The Issuer and the Guarantors shall cause the Exchange Offer Registration Statement to be effective continuously and shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable federal and state securities laws to Consummate the Exchange Offer; *provided, however*, that in no event shall such period be less than 30 days after the date notice of the Exchange Offer is mailed to the Holders. The Issuer shall cause the Exchange Offer to comply with all applicable federal and state securities laws. No securities other than the Exchange Securities shall be included in the Exchange Offer Registration Statement. The Issuer shall use its commercially reasonable efforts to cause the Exchange Offer to be Consummated on the earliest practicable date after the Exchange Offer Registration Statement has become effective, but in no event later than 30 days after the date notice of the Exchange Offer is required to be mailed to the Holders (or if such 30th day is not a Business Day, the next succeeding Business Day).

(c) The Issuer shall indicate in a “Plan of Distribution” section contained in the Prospectus forming a part of the Exchange Offer Registration Statement that any Broker-Dealer who holds Initial Securities that are Transfer Restricted Securities and that were acquired for its own account as a result of market-making activities or other trading activities (other than Transfer Restricted Securities acquired directly from the Issuer) may exchange such Initial Securities pursuant to the Exchange Offer; however, such Broker-Dealer may be deemed to be an “underwriter” within the meaning of the Securities Act and must, therefore, deliver a prospectus meeting the requirements of the Securities Act in connection with any resales of the Exchange Securities received by such Broker-Dealer in the Exchange Offer, which prospectus delivery requirement may be satisfied by the delivery by such Broker-Dealer of the Prospectus contained in the Exchange Offer Registration Statement. Such “Plan of Distribution” section shall also contain all other information with respect to such resales by Broker-Dealers that the Commission may require in order to permit such resales pursuant thereto, but such “Plan of Distribution” shall not name any such Broker-Dealer or disclose the amount of Initial Securities held by any such Broker-Dealer except to the extent required by the Commission as a result of a change in policy after the date of this Agreement.

Each of the Issuer and the Guarantors shall use its commercially reasonable efforts to keep the Exchange Offer Registration Statement continuously effective, supplemented and amended as required by the provisions of Section 6(c) hereof to the extent necessary to ensure that it is available for resales of Initial Securities acquired by Broker-Dealers for their own accounts as a result of market-making activities or other trading activities, and to ensure that it conforms with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, for a period ending on the earlier of (i) 180 days from the date on which the Exchange Offer Registration Statement is declared effective and (ii) the date on which a Broker-Dealer is no longer required to deliver a prospectus in connection with market-making or other trading activities.

The Issuer shall provide sufficient copies of the latest version of such Prospectus to Broker-Dealers promptly upon request at any time during such 180-day (or shorter as provided in the foregoing sentence) period in order to facilitate such resales.

SECTION 4. *Shelf Registration.*

(a) *Shelf Registration.* If with respect to the Initial Notes: (i) the Issuer and the Guarantors are not permitted to consummate the Exchange Offer because the Exchange Offer is not permitted by applicable law or Commission policy (after the procedures set forth in Section 6(a) hereof have been complied with), (ii) for any reason the Exchange Offer is not Consummated within 30 days after the date notice of the Exchange Offer is required to be mailed to the Holders (or if such 30th day is not a Business Day, the next succeeding Business Day), or (iii) with respect to any Holder of Transfer Restricted Securities (A) such Holder is prohibited by applicable law or Commission policy from participating in the Exchange Offer, or (B) such Holder may not resell the Exchange Securities acquired by it in the Exchange Offer to the public without delivering a prospectus (other than by reason of such Holder’s status as an affiliate of the Issuer) and the Prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales by such Holder, or (C) such Holder is a Broker-Dealer and holds Initial Securities acquired directly from the Issuer or one of its affiliates, then, upon such Holder’s request prior to the 20th day following consummation of the Exchange Offer, the Issuer and the Guarantors shall, with respect to the Initial Notes:

(x) cause to be filed a shelf registration statement pursuant to Rule 415 under the Securities Act, which may be an amendment to the Exchange Offer Registration Statement (in either event, the “Shelf Registration Statement”) within 270 days after such filing obligation arises (or if such 270th day is not a Business Day, the next succeeding Business Day) (such date being the “Shelf Filing Deadline”), which Shelf Registration Statement shall provide for resales of all Transfer Restricted Securities the Holders of which shall have provided the information required pursuant to Section 4(b) hereof; and

(y) use their commercially reasonable efforts to cause such Shelf Registration Statement to be declared effective by the Commission as promptly as possible (unless it becomes effective automatically upon filing), and in any event on or before the 365th day after the obligation to file such Shelf Registration Statement arises (or if such 365th day is not a Business Day, the next succeeding Business Day).

Each of the Issuer and the Guarantors shall use its commercially reasonable efforts to keep such Shelf Registration Statement continuously effective, supplemented and amended as required by the provisions of Sections 6(b) and (c) hereof to the extent necessary to ensure that it is available for resales of Initial Securities by the Holders of Transfer Restricted Securities entitled to the benefit of this Section 4(a), and to ensure that it conforms with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, for a period of at least two years following the effective date of such Shelf Registration Statement (or shorter period that will terminate when all the Initial Securities covered by such Shelf Registration Statement have been sold pursuant to such Shelf Registration Statement). During the period during which the Issuer is required to maintain an effective Shelf Registration Statement pursuant to this Agreement, the Issuer will, prior to the expiration of that Shelf Registration Statement, file, and use its commercially reasonable efforts to cause to be declared effective (unless it becomes effective automatically upon filing) within a period that avoids any interruption in the ability of Holders of Securities covered by the expiring Shelf Registration Statement to make registered dispositions, a new registration statement relating to the Securities, which shall be deemed the “Shelf Registration Statement” for purposes of this Agreement.

(b) *Provision by Holders of Certain Information in Connection with the Shelf Registration Statement.* No Holder of Transfer Restricted Securities may include any of its Transfer Restricted Securities in any Shelf Registration Statement pursuant to this Agreement unless and until such Holder furnishes to the Issuer in writing, within 20 Business Days after receipt of a request therefor, such information as the Issuer may reasonably request for use in connection with any Shelf Registration Statement or Prospectus or preliminary Prospectus included therein or amendment or supplement thereto or Free Writing Prospectus. Each Holder as to which any Shelf Registration Statement is being effected agrees to furnish promptly to the Issuer all information required to be disclosed in order to make the information previously furnished to the Issuer by such Holder not materially misleading.

SECTION 5. *Additional Interest.* If (i) unless the Exchange Offer shall not be permissible under applicable law or Commission policy, the Exchange Offer Registration Statement has not been declared effective by the Commission (or become automatically effective) on or prior to 365 days after the Closing Date (the “Exchange Offer Effectiveness Target Date”), (ii) in the event the Issuer and the Guarantors are required to file a Shelf Registration Statement pursuant to Section 4(a) hereof, the Shelf Registration Statement has not been declared effective by the Commission (or become automatically effective) on or prior to 365 days after the obligation to file a Shelf Registration Statement arises (the “Shelf Registration Effectiveness Target Date” and, together with the Exchange Offer Effectiveness Date, the “Effectiveness Target Date”), (iii) the Exchange Offer has not been Consummated within 30 Business Days after the Exchange Offer Effectiveness Target Date with respect to the Exchange Offer Registration Statement, or (iv) any Registration Statement required by this Agreement is filed and declared effective but shall thereafter cease to be effective or fail to be usable for its intended purpose without being succeeded immediately by a post-effective amendment to such Registration Statement that cures such failure and that is itself immediately declared or automatically effective (except in the case of a Registration Statement that ceases to be effective or usable as specifically permitted by the last paragraph of Section 6 hereof) (each such event referred to in clauses (i) through (iv), a “Registration Default”), the Issuer and the Guarantors hereby agree that the interest rate borne by the affected series of Transfer Restricted Securities shall be increased by 0.25% per annum during the 90-day period immediately following the occurrence of any Registration Default and shall increase by 0.25% per annum at the end of each subsequent 90-day period, but in no event shall such increase exceed 1.00% per annum. Following the earlier of (x) the cure of all Registration Defaults relating to any particular Transfer Restricted Securities and (y) the date on which such Transfer Restricted Security ceases to be a Transfer Restricted Security, the interest rate borne by the relevant Transfer Restricted Securities will be reduced to the original interest rate borne by such Transfer Restricted Securities; *provided, however*, that, if after any such reduction in interest rate, a different Registration Default occurs, the interest rate borne by the relevant Transfer Restricted Securities shall again be increased pursuant to the foregoing provisions.

Notwithstanding the foregoing, (i) the amount of Additional Interest payable shall not increase because more than one Registration Default has occurred and is pending and (ii) a Holder of Transfer Restricted Securities that is not entitled to the benefits of the Shelf Registration Statement (because, e.g., such Holder has not elected to include information or has not timely delivered such information to the Issuer pursuant to Section 4(b) hereof) shall not be entitled to Additional Interest with respect to a Registration Default that pertains to the Shelf Registration Statement.

All obligations of the Issuer and the Guarantors set forth in the preceding paragraph that are outstanding with respect to any Transfer Restricted Security at the time such security ceases to be a Transfer Restricted Security shall survive until such time as all such obligations with respect to such security shall have been satisfied in full.

SECTION 6. *Registration Procedures.*

(a) *Exchange Offer Registration Statement.* In connection with the Exchange Offer, the Issuer and the Guarantors shall comply with all of the provisions of Section 6(c) hereof, shall use their commercially reasonable efforts to effect such exchange to permit the sale of Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof, and shall comply with all of the following provisions:

(i) If in the reasonable opinion of counsel to the Issuer there is a question as to whether the Exchange Offer is permitted by applicable law, each of the Issuer and the Guarantors hereby agrees to seek a favorable decision from the Commission allowing the Issuer and the Guarantors to consummate an Exchange Offer for such Initial Securities. Each of the Issuer and the Guarantors hereby agrees to pursue the issuance of such a decision to the Commission staff level but shall not be required to take commercially unreasonable action to effect a change of Commission policy. Each of the Issuer and the Guarantors hereby agrees, however, to (A) participate in telephonic conferences with the Commission, (B) deliver to the Commission staff an analysis prepared by counsel to the Issuer setting forth the legal bases, if any, upon which such counsel has concluded that such an Exchange Offer should be permitted and (C) diligently pursue a favorable resolution by the Commission staff of such submission.

(ii) As a condition to its participation in the Exchange Offer pursuant to the terms of this Agreement, each Holder of Transfer Restricted Securities shall furnish, upon the request of the Issuer, prior to the consummation thereof, a written representation to the Issuer (which may be contained in the letter of transmittal contemplated by the Exchange Offer Registration Statement) to the effect that (A) it is not an affiliate of the Issuer, (B) it is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any Person to participate in, a distribution of the Exchange Securities to be issued in the Exchange Offer and (C) it is acquiring the Exchange Securities in its ordinary course of business. In addition, all such Holders of Transfer Restricted Securities shall otherwise cooperate in the Issuer's preparations for the Exchange Offer. Each Holder hereby acknowledges and agrees that any Broker-Dealer and any such Holder using the Exchange Offer to participate in a distribution of the securities to be acquired in the Exchange Offer (1) cannot under Commission policy as in effect on the date of this Agreement rely on the position of the Commission enunciated in Morgan Stanley and Co., Inc. (available June 5, 1991) and Exxon Capital Holdings Corporation (available May 13, 1988), as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993, and similar no-action letters (which may include any no-action letter obtained pursuant to clause (i) above), and (2) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with a secondary resale transaction and that such a secondary resale transaction should be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K if the resales are of Exchange Securities obtained by such Holder in exchange for Initial Securities acquired by such Holder directly from the Issuer.

(b) *Shelf Registration Statement.* In connection with the Shelf Registration Statement, each of the Issuer and the Guarantors shall comply with all the provisions of Section 6(c) hereof and shall use its commercially reasonable efforts to effect such registration (unless automatically declared effective) to permit the sale of the Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof, and pursuant thereto each of the Issuer and the Guarantors will as expeditiously as is commercially reasonable prepare and file with the Commission a Registration Statement relating to the registration on any appropriate form under the Securities Act, which form shall be available for the sale of the Transfer Restricted Securities in accordance with the intended method or methods of distribution thereof.

(c) *General Provisions.* In connection with any Registration Statement and any Prospectus required by this Agreement to permit the sale or resale of Transfer Restricted Securities and any Free Writing Prospectus (including, without limitation, any Registration Statement and the related Prospectus required to permit resales of Initial Securities by Broker-Dealers and any Free Writing Prospectus related thereto), each of the Issuer and the Guarantors shall:

(i) use its commercially reasonable efforts to keep such Registration Statement continuously effective during the period required by this Agreement and provide all requisite financial statements (including, if required by the Securities Act or any regulation thereunder, financial statements of the Guarantors for the period specified in Section 3 or 4 hereof, as applicable); upon the occurrence of any event that would cause any such Registration Statement or the Prospectus contained therein (A) to contain a material misstatement or omission or (B) not to be effective and usable for resale of Transfer Restricted Securities during the period required by this Agreement, the Issuer shall file promptly an appropriate amendment to such Registration Statement, in the case of clause (A), correcting any such misstatement or omission, and, in the case of either clause (A) or (B), use its commercially reasonable efforts to cause such amendment to be declared effective (unless automatically declared effective) and such Registration Statement and the related Prospectus to become usable for their intended purpose(s) as soon as practicable thereafter;

(ii) prepare and file with the Commission such amendments and post-effective amendments to the applicable Registration Statement as may be necessary to keep the Registration Statement effective for the applicable period set forth in Section 3 or 4 hereof, as applicable, or such shorter period as will terminate when all Transfer Restricted Securities covered by such Registration Statement have been sold; cause the Prospectus to be supplemented by any required Prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 under the Securities Act, and to comply fully with the applicable provisions of Rules 424 and 430A under the Securities Act in a timely manner; and comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement during the applicable period in accordance with the intended method or methods of distribution by the sellers thereof set forth in such Registration Statement or supplement to the Prospectus;

(iii) advise the underwriter(s), if any, and selling Holders promptly and, if requested by such Persons, to confirm such advice in writing, (A) when the Prospectus, any Prospectus supplement, any post-effective amendment or any Free Writing Prospectus has been filed, and, with respect to any Registration Statement or any post-effective amendment thereto, when the same has become effective, (B) of any request by the Commission for amendments to the Registration Statement or amendments or supplements to the Prospectus or for additional information relating thereto, (C) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement under the Securities Act, of the suspension by any state securities commission of the qualification of the Transfer Restricted Securities for offering or sale in any jurisdiction, or the initiation of any proceeding for any of the preceding purposes, of the issuance by the Commission of a notification of objection to the use of the form on which the Registration Statement has been filed, or of the happening of any event that causes the Issuer to become an "ineligible issuer," as defined in Commission Rule 405, (D) of the existence of any fact or the happening of any event that makes any statement of a material fact made in the Registration Statement, the Prospectus, any amendment or supplement thereto or any document incorporated by reference therein untrue, or that requires the making of any additions to or changes in the Registration Statement or the Prospectus in order to make the statements therein not misleading. If at any time the Commission shall issue any stop order suspending the effectiveness of the Registration Statement or a notification of objection to the use of the form on which the Registration Statement has been filed or if any state securities commission or other regulatory authority shall issue an order suspending the qualification or exemption from qualification of the Transfer Restricted Securities under state securities or blue sky laws, each of the Issuer and the Guarantors shall use its commercially reasonable efforts to obtain the withdrawal or lifting of such order at the earliest practicable time;

(iv) (A) (1) furnish without charge to each of the Initial Purchasers, each selling Holder named in any Registration Statement that has requested such copies, if any, and each of the underwriter(s), if any, before filing with the Commission, copies of any Registration Statement or any Prospectus included therein or any amendments or supplements to any such Registration Statement or Prospectus (including all documents incorporated by reference after the initial filing of such Registration Statement), which documents will be subject to the review and comment of such requesting Holders and underwriter(s) in connection with such sale, if any, for a period of at least five Business Days, and (2) not file any such Registration Statement or Prospectus or any amendment or supplement to any such Registration Statement or Prospectus (including all such documents incorporated by reference) to which an Initial Purchaser of Transfer Restricted Securities covered by such Registration Statement or the underwriter(s), if any, shall reasonably object in writing within five Business Days after the receipt thereof (such objection to be deemed timely made upon confirmation of telecopy transmission within such period). The objection of an Initial Purchaser, or underwriter, if any, shall be deemed to be reasonable if such Registration Statement, amendment, Prospectus or supplement, as applicable, as proposed to be filed, contains a material misstatement or omission;

(B) (1) furnish without charge to each of the Initial Purchasers before filing with the Commission, a copy of any Free Writing Prospectus, which will be subject to the consent of the Initial Purchasers, and (2) not file any such Free Writing Prospectus to which the Initial Purchasers of Transfer Restricted Securities covered by such Registration Statement have not consented (such consent not to be unreasonably withheld, conditioned or delayed);

(v) promptly prior to the filing of any document that is to be incorporated by reference into a Registration Statement or Prospectus, provide copies of such document to the Initial Purchasers, each selling Holder named in any Registration Statement that has requested such documents, if any, and to the underwriter(s), if any, make the Issuer's and the Guarantors' representatives available for discussion of such document and other customary due diligence matters, subject to customary confidentiality agreements, and include such information in such document prior to the filing thereof as such selling Holders or underwriter(s), if any, reasonably may request;

(vi) make available, subject to customary confidentiality agreements, at reasonable times for inspection by the Initial Purchasers, the managing underwriter(s), if any, participating in any disposition pursuant to such Registration Statement and any attorney or accountant retained by such Initial Purchasers or any of the underwriter(s), all financial and other records, pertinent corporate documents and properties of each of the Issuer and the Guarantors, and cause the Issuer's and the Guarantors' officers, directors and employees to supply all information, in each case as shall be reasonably necessary to enable any such Holder, underwriter, attorney or accountant to exercise any applicable responsibilities in connection with such Registration Statement or any post-effective amendment thereto subsequent to the filing thereof and prior to its effectiveness and to participate in meetings with investors to the extent reasonably requested by the managing underwriter(s), if any;

(vii) if requested by any selling Holders or the underwriter(s), if any, promptly incorporate in any Registration Statement or Prospectus, pursuant to a supplement or post-effective amendment if necessary, such information as such selling Holders and underwriter(s), if any, may reasonably request to have included therein, including, without limitation, information relating to the "Plan of Distribution" of the Transfer Restricted Securities, information with respect to the principal amount of Transfer Restricted Securities being sold to such underwriter(s), the purchase price being paid therefor and any other terms of the offering of the Transfer Restricted Securities to be sold in such offering; and make all required filings of such Prospectus supplement or post-effective amendment as soon as practicable after the Issuer is notified of the matters to be incorporated in such Prospectus supplement or post-effective amendment;

(viii) cause the Transfer Restricted Securities covered by the Registration Statement to be rated with the appropriate rating agencies, if so requested by the Holders of a majority in aggregate principal amount of Securities covered thereby or the underwriter(s), if any;

(ix) furnish to each Initial Purchaser each selling Holder and each of the underwriter(s), if any, without charge, at least one copy of the Registration Statement, as first filed with the Commission, and of each amendment thereto, including financial statements and schedules, all documents incorporated by reference therein and all exhibits (including exhibits incorporated therein by reference);

(x) deliver to each selling Holder and each of the underwriter(s), if any, without charge, as many copies of the Prospectus (including each preliminary prospectus) and any amendment or supplement thereto as such Persons reasonably may request; each of the Issuer and the Guarantors hereby consents to the use of the Prospectus and any amendment or supplement thereto by each of the selling Holders and each of the underwriter(s), if any, in connection with the offering and the sale of the Transfer Restricted Securities covered by the Prospectus or any amendment or supplement thereto;

(xi) enter into such agreements (including an underwriting agreement), and make such representations and warranties, and take all such other commercially reasonable actions in connection therewith in order to expedite or facilitate the disposition of the Transfer Restricted Securities pursuant to any Registration Statement contemplated by this Agreement, all to such extent as may be reasonably requested by any Initial Purchaser or by any Holder of Transfer Restricted Securities or underwriter in connection with any sale or resale pursuant to any Registration Statement contemplated by this Agreement; and whether or not an underwriting agreement is entered into and whether or not the registration is an Underwritten Registration, each of the Issuer and the Guarantors shall:

(A) furnish to each Initial Purchaser, each selling Holder and each underwriter, if any, in such substance and scope as they may reasonably request and as are customarily made by issuers to underwriters in primary underwritten offerings, upon the date of the effectiveness of the Shelf Registration Statement:

(1) a certificate, dated the date of Consummation of the Exchange Offer or the date of effectiveness of the Shelf Registration Statement, as the case may be, signed by (y) the President or any Vice President and (z) a principal financial or accounting officer of each of the Issuer and the Guarantors, confirming, as of the date thereof, the matters set forth in Section 6(c) of the Purchase Agreement and such other matters as such parties may reasonably request;

(2) if requested by a majority of selling Holders, an opinion, dated the date of Consummation of the Exchange Offer or the date of effectiveness of the Shelf Registration Statement, as the case may be, of counsel for the Issuer and the Guarantors, covering the matters set forth in the opinion delivered pursuant to Section 6(a)(i) of the Purchase Agreement and such other matter as such parties may reasonably request, and in any event including a statement to the effect that such counsel has participated in conferences with officers and other representatives of the Issuer and the Guarantors, representatives of the independent public accountants for the Issuer and the Guarantors, representatives of the underwriter(s), if any, and counsel to the underwriter(s), if any, in connection with the preparation of such Registration Statement and the related Prospectus and have considered the matters required to be stated therein and the statements contained therein, although such counsel has not independently verified the accuracy, completeness or fairness of such statements; and that such counsel advises that, on the basis of the foregoing, no facts came to such counsel's attention that caused such counsel to believe that the applicable Registration Statement, (A) at the date of the opinion and at the time such Registration Statement or any post-effective amendment thereto became effective, (B) at the applicable time identified by such Holders or managing underwriters, and (C) in the case of the Exchange Offer Registration Statement, as of the date of Consummation, in the case of (A), (B) and (C) contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or that the Prospectus contained in such Registration Statement as of its date and, in the case of the opinion dated the date of Consummation of the Exchange Offer, as of the date of Consummation, contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein not misleading. Without limiting the foregoing, such counsel may state further that such counsel assumes no responsibility for, and has not independently verified, the accuracy, completeness or fairness of the financial statements, notes and schedules and other financial data included in any Registration Statement contemplated by this Agreement or the related Prospectus; and

(3) a customary comfort letter, dated the date of effectiveness of the Shelf Registration Statement, from the Issuer's independent accountants, in the customary form and covering matters of the type customarily requested to be covered in comfort letters by underwriters in connection with primary underwritten offerings, and covering or affirming the matters set forth in the comfort letters delivered pursuant to Section 6(d) of the Purchase Agreement, without exception;

(B) set forth in full or incorporate by reference in the underwriting agreement, if any, the indemnification provisions and procedures of Section 8 hereof with respect to all parties to be indemnified pursuant to said Section; and

(C) deliver such other documents and certificates as may be reasonably requested by such parties to evidence compliance with Section 6(c)(xi)(A) hereof and with any customary conditions contained in the underwriting agreement or other agreement entered into by the Issuer or any of the Guarantors pursuant to this Section 6(c)(xi), if any.

If at any time the representations and warranties of the Issuer and the Guarantors contemplated in Section 6(c)(xi)(A)(1) hereof cease to be true and correct, the Issuer or the Guarantors shall so advise the Initial Purchasers and the underwriter(s), if any, and each selling Holder promptly and, if requested by such Persons, shall confirm such advice in writing;

(xii) prior to any public offering of Transfer Restricted Securities, cooperate with the selling Holders, the underwriter(s), if any, and their respective counsel in connection with the registration and qualification of the Transfer Restricted Securities under the state securities or blue sky laws of such jurisdictions as the selling Holders or underwriter(s), if any, may request and do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Transfer Restricted Securities covered by the Shelf Registration Statement; *provided, however*, that none of the Issuer or the Guarantors shall be required to register or qualify as a foreign corporation where it is not then so qualified or to take any action that would subject it to the service of process in suits or to taxation, other than as to matters and transactions relating to the Registration Statement, in any jurisdiction where it is not then so subject;

(xiii) issue, upon the request of any Holder of Initial Securities covered by the Shelf Registration Statement, Exchange Securities having an aggregate principal amount equal to the aggregate principal amount of Initial Securities surrendered to the Issuer by such Holder in exchange therefor or being sold by such Holder; such Exchange Securities to be registered in the name of such Holder or in the name of the purchaser(s) of such Securities, as the case may be; in return, the Initial Securities held by such Holder shall be surrendered to the Issuer for cancellation;

(xiv) subject to the terms of the Indenture, cooperate with the selling Holders and the underwriter(s), if any, to facilitate the timely preparation and delivery of certificates representing Transfer Restricted Securities to be sold and not bearing any restrictive legends; and enable such Transfer Restricted Securities to be in such denominations and registered in such names as the Holders or the underwriter(s), if any, may request at least two Business Days prior to any sale of Transfer Restricted Securities made by such Holders or underwriter(s);

(xv) use its commercially reasonable efforts to cause the Transfer Restricted Securities covered by the Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the seller or sellers thereof or the underwriter(s), if any, to consummate the disposition of such Transfer Restricted Securities, subject to the proviso contained in Section 6(c)(xii) hereof;

(xvi) if any fact or event contemplated by Section 6(c)(iii)(D) hereof shall exist or have occurred, prepare a supplement or post-effective amendment to the Registration Statement or related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of Transfer Restricted Securities, the Prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein not misleading;

(xvii) provide a CUSIP number for all Securities not later than the effective date of the Registration Statement covering such Securities and provide the Trustee under the applicable Indenture with printed certificates for such Securities which are in a form eligible for deposit with the Depository Trust Company and take all other action necessary to ensure that all such Securities are eligible for deposit with the Depository Trust Company;

(xviii) cooperate and assist in any filings required to be made with the FINRA and in the performance of any due diligence investigation by any underwriter (including any “qualified independent underwriter”) that is required to be retained in accordance with the rules and regulations of the FINRA;

(xix) otherwise use its commercially reasonable efforts to comply with all applicable rules and regulations of the Commission, and make generally available to its security holders, as soon as practicable, a consolidated earning statement meeting the requirements of Rule 158 (which need not be audited) for the twelve-month period (A) commencing at the end of any fiscal quarter in which Transfer Restricted Securities are sold to underwriters in a firm commitment or best efforts Underwritten Offering or (B) if not sold to underwriters in such an offering, beginning with the first month of the Issuer’s first fiscal quarter commencing after the effective date of the Registration Statement;

(xx) cause the Indenture to be qualified under the Trust Indenture Act not later than the effective date of the first Registration Statement required by this Agreement, and, in connection therewith, cooperate with the Trustee and the Holders of Securities to effect such changes to the Indenture as may be required for such Indenture to be so qualified in accordance with the terms of the Trust Indenture Act; and to execute, and to use its commercially reasonable efforts to cause the Trustee to execute, all documents that may be required to effect such changes and all other forms and documents required to be filed with the Commission to enable such Indenture to be so qualified in a timely manner;

(xxi) cause all Securities covered by the Registration Statement to be listed on each securities exchange or automated quotation system on which similar securities issued by the Issuer are then listed if requested by the Holders of a majority in aggregate principal amount of Initial Securities or the managing underwriter(s), if any; and

(xxii) provide promptly to each Holder upon request each document filed with the Commission pursuant to the requirements of Section 13 and Section 15 of the Exchange Act.

Each Holder agrees by acquisition of a Transfer Restricted Security that, upon receipt of any notice from the Issuer of the existence of any fact of the kind described in Section 6(c)(iii)(D) hereof, such Holder will forthwith discontinue disposition of Transfer Restricted Securities pursuant to the applicable Registration Statement until such Holder’s receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvi) hereof, or until it is advised in writing (the “Advice”) by the Issuer that the use of the Prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated by reference in the Prospectus. If so directed by the Issuer, each Holder will deliver to the Issuer (at the Issuer’s expense) all copies, other than permanent file copies then in such Holder’s possession, of the Prospectus covering such Transfer Restricted Securities that was current at the time of receipt of such notice. In the event the Issuer shall give any such notice, the time period regarding the effectiveness of such Registration Statement set forth in Section 3 or 4 hereof, as applicable, shall be extended by the number of days (a “Delay Period”) during the period from and including the date of the giving of such notice pursuant to Section 6(c)(iii)(D) hereof to and including the date when each selling Holder covered by such Registration Statement shall have received the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvi) hereof or shall have received the Advice; *provided* that there shall not be more than 75 days of Delay Periods during any 12-month period; *provided further, however*, that (except as provided in Section 5(iv) hereof) no such extension shall be taken into account in determining whether Additional Interest is due pursuant to Section 5 hereof or the amount of such Additional Interest, it being agreed that the Issuer’s option to suspend use of a Registration Statement pursuant to this paragraph shall be treated as a Registration Default for purposes of Section 5 hereof.

SECTION 7. *Registration Expenses.*

(a) All expenses incident to the Issuer's and the Guarantor's performance of or compliance with this Agreement will be borne by the Issuer and the Guarantors, jointly and severally, regardless of whether a Registration Statement becomes effective, including, without limitation: (i) all registration and filing fees and expenses (including filings made by any Initial Purchaser or Holder with the FINRA (and, if applicable, the fees and expenses of any "qualified independent underwriter", and one counsel to such person, that may be required by the rules and regulations of the FINRA); (ii) all fees and expenses of compliance with federal securities and state securities or blue sky laws (including the reasonable fees and disbursements of one counsel to the Holder of Transfer Restricted Securities); (iii) all expenses of printing (including printing certificates for the Exchange Securities to be issued in the Exchange Offer and printing of Prospectuses), messenger and delivery services and telephone; (iv) all fees and disbursements of counsel for the Issuer and the Guarantors and, subject to Section 7(b) hereof, one counsel to the Holders of Transfer Restricted Securities; (v) all application and filing fees in connection with listing the Exchange Securities on a securities exchange or automated quotation system pursuant to the requirements thereof; and (vi) all fees and disbursements of independent certified public accountants of the Issuer and the Guarantors (including the expenses of any special audit and comfort letters required by or incident to such performance).

Each of the Issuer and the Guarantors will, in any event, bear its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expenses of any annual audit and the fees and expenses of any Person, including special experts, retained by the Issuer or the Guarantors.

(b) In connection with any Registration Statement required by this Agreement (including, without limitation, the Exchange Offer Registration Statement and the Shelf Registration Statement), the Issuer and the Guarantors, jointly and severally, will reimburse the Initial Purchasers and the Holders of Transfer Restricted Securities being tendered in the Exchange Offer and/or resold pursuant to the "Plan of Distribution" contained in the Exchange Offer Registration Statement or registered pursuant to the Shelf Registration Statement, as applicable, for the reasonable fees and disbursements of not more than one counsel, who shall be Cahill Gordon & Reindel LLP or such other counsel as may be chosen by the Holders of a majority in principal amount of the Transfer Restricted Securities for whose benefit such Registration Statement is being prepared.

SECTION 8. *Indemnification.*

(a) The Issuer and the Guarantors, jointly and severally, agree to indemnify and hold harmless (i) each Holder and (ii) each Person, if any, who controls (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) any Holder (any of the Persons referred to in this clause (ii) being hereinafter referred to as a “controlling person”) and (iii) the respective officers, directors, partners, employees, representatives and agents of any Holder or any controlling person (any Person referred to in clause (i), (ii) or (iii) may hereinafter be referred to as an “Indemnified Holder”), to the fullest extent lawful, from and against any and all losses, claims, damages, liabilities, judgments, actions and expenses (including, without limitation, and as incurred, reimbursement of all reasonable costs of investigating, preparing, pursuing, settling, compromising, paying or defending any claim or action, or any investigation or proceeding by any governmental agency or body, commenced or threatened, including the reasonable fees and expenses of counsel to any Indemnified Holder), joint or several, directly or indirectly caused by, related to, based upon, arising out of or in connection with any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement, Prospectus (or any amendment or supplement thereto) or Free Writing Prospectus, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages, liabilities or expenses are caused by an untrue statement or omission or alleged untrue statement or omission that is made in reliance upon and in conformity with information relating to any of the Holders furnished in writing to the Issuer by any of the Holders expressly for use therein. This indemnity agreement shall be in addition to any liability that the Issuer or any of the Guarantors may otherwise have.

In case any action or proceeding (including any governmental or regulatory investigation or proceeding) shall be brought or asserted against any of the Indemnified Holders with respect to which indemnity may be sought against the Issuer or the Guarantors, such Indemnified Holder (or the Indemnified Holder controlled by such controlling person) shall promptly notify the Issuer and the Guarantors in writing; *provided, however*, that the failure to give such notice shall not relieve any of the Issuer or the Guarantors of its obligations pursuant to this Agreement. Such Indemnified Holder shall have the right to employ its own counsel in any such action and the fees and expenses of such counsel shall be paid, as incurred, by the Issuer and the Guarantors (regardless of whether it is ultimately determined that an Indemnified Holder is not entitled to indemnification hereunder). The Issuer and the Guarantors shall not, in connection with any one such action or proceeding or separate but substantially similar or related actions or proceedings in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) at any time for such Indemnified Holders, which firm shall be designated by the Holders. The Issuer and the Guarantors shall be liable for any settlement of any such action or proceeding effected with the Issuer’s and the Guarantors’ prior written consent, which consent shall not be withheld unreasonably, and each of the Issuer and the Guarantors agrees to indemnify and hold harmless any Indemnified Holder from and against any loss, claim, damage, liability or expense by reason of any settlement of any action effected with the written consent of the Issuer and the Guarantors. The Issuer and the Guarantors shall not, without the prior written consent of each Indemnified Holder, settle or compromise or consent to the entry of judgment in or otherwise seek to terminate any pending or threatened action, claim, litigation or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not any Indemnified Holder is a party thereto), unless such settlement, compromise, consent or termination includes an unconditional release of each Indemnified Holder from all liability arising out of such action, claim, litigation or proceeding.

(b) Each Holder of Transfer Restricted Securities agrees, severally and not jointly, to indemnify and hold harmless the Issuer, the Guarantors and their respective directors, officers of the Issuer and the Guarantors who sign a Registration Statement, and any Person controlling (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) the Issuer or any of the Guarantors, and the respective officers, directors, partners, employees, representatives and agents of each such Person, to the same extent as the foregoing indemnity from the Issuer and the Guarantors to each of the Indemnified Holders, but only with respect to claims and actions based on information relating to such Holder furnished in writing by such Holder expressly for use in any Registration Statement. In case any action or proceeding shall be brought against the Issuer, the Guarantors or their respective directors or officers or any such controlling person in respect of which indemnity may be sought against a Holder of Transfer Restricted Securities, such Holder shall have the rights and duties given the Issuer and the Guarantors, and the Issuer, the Guarantors, their respective directors and officers and such controlling person shall have the rights and duties given to each Holder by the preceding paragraph.

(c) If the indemnification provided for in this Section 8 is unavailable to an indemnified party under Section 8(a) or (b) hereof (other than by reason of exceptions provided in those Sections) in respect of any losses, claims, damages, liabilities, judgments, actions or expenses referred to therein, then each applicable indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative benefits received by the Issuer and the Guarantors, on the one hand, and the Holders, on the other hand, from the Initial Placement (which in the case of the Issuer and the Guarantors shall be deemed to be equal to the total gross proceeds to the Issuer and the Guarantors from the Initial Placement), the amount of Additional Interest which did not become payable as a result of the filing of the Registration Statement resulting in such losses, claims, damages, liabilities, judgments actions or expenses, and such Registration Statement, or if such allocation is not permitted by applicable law, the relative fault of the Issuer and the Guarantors, on the one hand, and the Holders, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault of the Issuer and the Guarantors, on the one hand, and of the Indemnified Holder on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Issuer or any of the Guarantors, on the one hand, or the Indemnified Holders, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in the second paragraph of Section 8(a) hereof, any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim.

The Issuer, the Guarantors and each Holder of Transfer Restricted Securities agree that it would not be just and equitable if contribution pursuant to this Section 8(c) were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or expenses referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8, none of the Holders (and its related Indemnified Holders) shall be required to contribute, in the aggregate, any amount in excess of the amount by which the total discount received by such Holder with respect to the Initial Securities exceeds the amount of any damages which such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 8(c) are several in proportion to the respective principal amount of Initial Securities held by each of the Holders hereunder and not joint.

SECTION 9. *Rule 144A.* Each of the Issuer and the Guarantors hereby agrees with each Holder, for so long as any Transfer Restricted Securities remain outstanding, to make available to any Holder or beneficial owner of Transfer Restricted Securities in connection with any sale thereof and any prospective purchaser of such Transfer Restricted Securities from such Holder or beneficial owner, the information required by Rule 144A(d)(4) under the Securities Act in order to permit resales of such Transfer Restricted Securities pursuant to Rule 144A under the Securities Act.

SECTION 10. *Participation in Underwritten Registrations.* No Holder may participate in any Underwritten Registration hereunder unless such Holder (a) agrees to sell such Holder's Transfer Restricted Securities on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all reasonable questionnaires, powers of attorney, indemnities, underwriting agreements, lock-up letters and other documents required under the terms of such underwriting arrangements.

SECTION 11. *Selection of Underwriters.* The Holders of Transfer Restricted Securities covered by the Shelf Registration Statement who desire to do so may sell such Transfer Restricted Securities in an Underwritten Offering. In any such Underwritten Offering, the investment banker(s) and managing underwriter(s) that will administer such offering will be selected by the Holders of a majority in aggregate principal amount of the Transfer Restricted Securities included in such offering; *provided, however*, that such investment banker(s) and managing underwriter(s) must be reasonably satisfactory to the Issuer.

SECTION 12. *Miscellaneous.*

(a) *Remedies.* Each of the Issuer and the Guarantors hereby agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and hereby agree to waive the defense in any action for specific performance that a remedy at law would be adequate.

(b) *No Inconsistent Agreements.* Each of the Issuer and the Guarantors will not on or after the date of this Agreement enter into any agreement with respect to its securities that conflicts with the provisions hereof. The rights granted to the Holders hereunder do not in any way conflict with the rights granted to the holders of the Issuer's or any of the Guarantors' securities under any agreement in effect on the date hereof.

(c) *Adjustments Affecting the Securities.* The Issuer will not effect any change, or permit any change to occur, in each case, with respect to the terms of the Securities that would materially and adversely affect the ability of the Holders to Consummate any Exchange Offer.

(d) *Amendments and Waivers.* The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to or departures from the provisions hereof may not be given unless the Issuer has (i) in the case of Section 5 hereof and this Section 12(d)(i), obtained the written consent of Holders of all outstanding Transfer Restricted Securities and (ii) in the case of all other provisions hereof, obtained the written consent of Holders of a majority of the outstanding principal amount of Transfer Restricted Securities (excluding any Transfer Restricted Securities held by the Issuer or their Affiliates). Notwithstanding the foregoing, a waiver or consent to departure from the provisions hereof that relates exclusively to the rights of Holders whose securities are being tendered pursuant to the Exchange Offer and that does not affect directly or indirectly the rights of other Holders whose securities are not being tendered pursuant to such Exchange Offer may be given by the Holders of a majority of the outstanding principal amount of Transfer Restricted Securities being tendered or registered; *provided, however*, that, with respect to any matter that directly or indirectly affects the rights of any Initial Purchaser hereunder, the Issuer shall obtain the written consent of each such Initial Purchaser with respect to which such amendment, qualification, supplement, waiver, consent or departure is to be effective.

(e) *Notices.* All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail (registered or certified, return receipt requested), telex, telecopier, or air courier guaranteeing overnight delivery:

(i) if to a Holder, at the address set forth on the records of the Registrar under the Indenture, with a copy to the Registrar under the Indenture; and

(g) *Counterparts.* This Agreement may be executed in any number of counterparts (which may be delivered in original form or by facsimile or “.pdf” file) and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.
